ARTICLE 5
PAY PLAN

Sec. 501 HOURLY RATE OF PAY ADJUSTMENTS:

Effective July 1, 2018, the base hourly rate range of each classification covered by this Agreement, and the base hourly rate of pay of each represented employee therein, shall be increased by one and one-half percent (1.5%).

Effective June 30, 2019, the base hourly rate range of each classification covered by this Agreement, and the base hourly rate of pay of each represented employee therein, shall be increased by one and one-half percent (1.5%).

Effective June 28, 2020, the base hourly rate range of each classification covered by this Agreement, and the base hourly rate of pay of each represented employee therein, shall be increased by one and one-half percent (1.5%).

Sec. 502 RETIREMENT CONTRIBUTIONS:

- A. All employees covered by this Agreement shall contribute as retirement contributions an amount equal to one-half of the normal cost rate of the applicable retirement formula. Any required amounts in excess of the required member contribution shall be contributed pursuant to the cost-sharing provision set forth in Government Code 31631.5.

Thereafter, the normal cost rate shall be subject to actuarial adjustments whereupon the employee will continue to contribute one-half ($\frac{1}{2}$) of the adjusted normal cost rate.

- B. Pursuant to Section 414(h)(2) of the Internal Revenue Code, the District shall declare that it is "picking up" the entire required member contribution so as to cause the taxable income of each represented employee to be reduced by the amount of the "pick up." Therefore, for taxation purposes, this "pick up" shall not be regarded as ordinary income in accordance with Section 414(h) of the United States Internal Revenue Code.

Sec. 503 The District shall make an on-going bi-weekly contribution to a trust fund established by VCPFA to pay health insurance premiums for eligible future Firefighter Unit retirees and dependents in an amount equal to the entire amount saved by the District by virtue of a previous one percent (1.00%) salary reduction, including all roll-ups, for all employees except those in the Fire Auxilliary Unit.

The District will treat these contributions as ordinary income unless VCPFA provides the District with a legal opinion that the trust fund established by VCPFA is qualified under the Internal Revenue Code for tax deferred status, and that the contributions made to the trust by the District are not includable in the gross income of employees whose salaries would be reduced at the time the contributions are made.

Upon the exercise of this option, VCPFA agrees to allow the District to audit the books and records of the trust it establishes, at the District's request, and to indemnify, defend and hold the District harmless from any and all liability, claims, demands, suits or any other loss, damage or injury to persons or property arising from or related to the provisions of this paragraph, including income tax withholding liabilities or tax penalties. All monies refunded to the District by any trust established pursuant to this paragraph shall be distributed on a pro-rated basis in the form of salary, less normal deductions, to those employees whose salaries were reduced to enable the District to make the contributions to the trust.

- Sec. 504 COMPENSATION SCHEDULE: Except as otherwise provided herein, employees shall receive compensation within the pay range assigned to the classification of the position in which they are employed and in accordance with the pertinent conditions of employment enumerated in this Agreement.
- Sec. 505 REGULAR PAY DAY: Employees shall be paid on or about the Friday following the end of the biweekly pay period.
- Sec. 506 TERMINATION: Upon certification of the Director-Human Resources that the employment of any employee is terminated prior to the expiration of the biweekly pay period, the compensation due such person shall be paid no later than the next scheduled pay day following termination.
- Sec. 507 PAY RANGE CHANGES: Whenever a higher pay range is assigned to a classification, an employee holding a position in such classification shall have his rate of pay increased by the percentage increase to the classification's pay range, provided that no rate of pay shall be lower than the minimum of the new pay range established for that classification. The employee's probation hours needed and/or merit increase hours needed shall not change in such an adjustment. Whenever a pay range is assigned to a classification which previously was compensated on a flat rate, an employee shall either retain the rate of pay he held immediately prior to the establishing of such pay range or receive the minimum of the pay range established for the classification, whichever is greater.

Whenever the County Executive Officer furnishes reasonable proof that an employee whose classification was previously compensated on a flat rate is deserving of a higher placement in the newly established pay range than the minimum of such range, the Board may authorize an adjustment to any point in the pay range assigned to the classification. The employee's probation hours needed and/or merit increase hours needed shall not be affected by such adjustment.

Whenever a lower pay range is assigned to a classification, an employee holding a position in that class shall receive the same rate of pay he was receiving on the day preceding the effective date of the new range, if such rate of pay is within the newly established pay range. In all other instances, whenever a lower pay range is assigned to a classification, an employee holding a position in the class whose rate of pay immediately preceding the effective date of the new range was in excess of the maximum of the new range, then such employee shall receive the maximum of the new range, except as provided for in Section 521. The probation hours needed and/or merit increase hours needed of an employee classification shall not be affected by such adjustment.

Sec. 508 PAY ON "Y" RATING: When an employee is "Y" rated, his rate of pay immediately prior to the date of downward reclassification is frozen and may not be increased until the maximum of the pay range assigned his new classification exceeds the rate of pay he was earning immediately prior to establishment of the "Y" rate. The employee shall then be placed at the point in the range most closely representing approximately a five percent (5%) increase in his/her rate of pay and shall retain the probation hours needed and/or merit increase hours needed that was in effect immediately prior to the establishment of the "Y" rate.

Sec. 509 PRIORITY OF INCREASES: Whenever a general increase, a merit increase, a higher pay range or pay range placement, a promotional pay increase or any combination thereof are effective on the same date, the rate of pay to which an employee is entitled shall be fixed as follows: to the rate of pay received by the employee on the preceding day shall first be added any general increase, then any higher pay range or pay range placement, then any merit increase, and then any promotional increase.

Sec. 510 PAY ON DEMOTION OF A PROMOTIONAL PROBATIONARY EMPLOYEE: A promotional probationary employee demoted to the class he formerly occupied in good standing shall have the rate of pay, probationary status, and probation hours needed and/or merit increase hours needed he would have achieved if he had remained in the lower class throughout the period of his service in the higher class.

Sec. 511 PAY ON DEMOTION: Whenever a regular employee is demoted to a position in a lower class in which he has previously held status because of

reasons other than unsatisfactory performance, the employee shall be placed at the step he would have attained in his previous pay range had the employee not been promoted. The employee shall retain his probation hours needed and/or merit increase hours needed.

Sec. 512 MERIT INCREASES WITHIN THE PAY RANGE: Merit increases within a range shall not be automatic. They shall be based on merit and shall require the written approval of the Appointing Authority, setting forth the effective date thereof. Except as otherwise provided, a merit increase shall consist of an increase to the next higher step in the pay range for the class unless the employee is already at the top step of the range in which case no adjustment shall occur.

Sec. 513 TIME FOR MERIT ADVANCEMENTS: A newly appointed, re-employed, promoted or appointed employee may qualify for:

A. An initial merit advancement within the pay range upon serving at least 1,040 (40 hour employees) or 1,456 (56 hour employees) compensable hours excluding overtime in that class.

B. Succeeding merit increases within the pay range upon serving each additional 2,080 (40 hour employees) or 2,912 (56 hour employees) hours of compensable service excluding overtime in that class.

C. All approved merit increases will be effective on the first Sunday of the pay period after completing the required compensable hours of service.

Sec. 514 MERIT REVIEW: At least one (1) pay period prior to an employee qualifying for a merit increase consideration, the Appointing Authority shall notify the Director-Human Resources and the employee in writing of his decisions regarding approval or denial of a merit increase. In all cases, the recommendations of the Appointing Authority shall be based on the determination of performance rating as previously discussed with the employee.

Sec. 515 DENIAL OF MERIT INCREASE: If, after counseling by the employee's immediate supervisor relative to an employee's unacceptable performance, and in the Appointing Authority's judgment, the employee's performance does not warrant a merit increase upon meeting the time requirements of Section 514, the department/agency head may deny the increase and must complete the District performance evaluation rating form and shall set forth in writing within fifteen (15) days the specific reasons for such denial to both the employee and the Director-Human Resources. Any time prior to the employee qualifying for his next merit increase consideration the employee may request a review of his merit increase by the Appointing Authority, or, the Appointing Authority, by his own initiative,

may review the matter. If the Appointing Authority concurs with the requested review or if the Appointing Authority independently initiates his own review, then the Appointing Authority shall reopen the matter by submitting another performance rating and recommendation. If an employee's merit increase is granted prior to completing at least 2,080 hours of compensable service after it was denied, that employee's next merit increase shall not be due until the employee has completed at least an additional 2,080 hours of compensable service from the first Sunday of the pay period in which the increase was finally granted.

Sec. 516 CORRECTING ERROR IN OVERLOOKING MERIT INCREASE: Upon discovery that an employee who would otherwise have been recommended for a merit increase failed to receive such increase as the result of an oversight or system error, the Auditor-Controller shall compensate the employee for the additional hourly rate of pay he should have received dating from the first Sunday of the pay period after which he would have satisfied the merit increase hours requirement of Section 513 by adding said additional hourly rate of pay to the employee's next scheduled paycheck. In such cases the employee's current merit increase hours needed will be adjusted as needed.

Sec. 517 PAY ON PROMOTION: When a regular employee is promoted to a position in a class having a higher pay range, the employee's rate of pay shall be adjusted as follows:

- A. To the first step of said higher pay range for the applicable class; or
- B. If pursuant to Subsection A above, the employee's new rate of pay would be less than five percent (5%) above his previous rate, the adjustment shall be to the lowest step in the applicable pay range that assures no less than a five percent (5%) increase.

Sec. 518 EFFECTIVE DATE OF PROMOTION: Whenever an employee is promoted, the effective date of his promotion shall be the first Sunday of the pay period following notification of the promotion unless the notification provides otherwise.

Sec. 519 TEMPORARY PROMOTION:

- A. A line assigned employee assigned to a higher classification by the Appointing Authority or his representative to fill a vacancy caused by sick leave or other approved leave (excluding combined leave) shall have their rate of pay adjusted to the first step of the range of said higher classification, commencing with the first shift. Such assignments shall be made from qualified employees as determined by their being on the appropriate promotional eligibility list. Such premium pay shall then be paid without additional

approval for payment by the District.

A 40-hour work week employee assigned to a higher classification by the Appointing Authority or his representative to fill a vacancy caused by sick leave or other approved leave (excluding combined leave), and who serves in said higher classification for consecutive workdays aggregating eighty (80) hours, shall thereafter have his/ her rate of pay adjusted to the first step of the range for said higher classification.

- B. Both 40-hour and line assigned employees shall receive their rate of pay as long as they continue to serve in said higher classification and shall be entitled to receive step increases within the range for the position as though they had been appointed on the day they began to receive the pay adjustment described in Sub-section A above, as designated for the position. The waiting period shall apply each time a regular employee is assigned to a higher classification in this manner. Except that if the regular employee is subsequently promoted to that higher classification, without interruption, then such employee shall have his probation hours needed and/or merit increase hours needed adjusted as if the employee were originally promoted on the first day of the temporary assignment.
- C. A Paramedic who assumes a temporary promotion and is not assigned to the ALS program is not eligible for the Paramedic premium pay described in Section 607, but is eligible for the entitlements under Sections 811 and 1107. Said employees are required to maintain State Paramedic licensure.

Sec. 520 ADDITIONAL COMPENSATION TO SUPERVISORS: A person occupying a supervisory position shall receive compensation at a rate of seven and one-half percent (7 ½%) more per pay period than any one of his subordinates provided that:

- A. Both his Appointing Authority and the County Executive Officer find he is exercising substantial supervision of the subject subordinate and that he is satisfactorily performing the full supervisory duties of his position; and,
- B. The organization is a permanent one approved by the County Executive Officer; and,
- C. Both the supervisor and the subordinate have been permanently appointed to full time positions; and,
- D. The classifications of both the supervisor's and subordinate's positions are appropriate to the organization and their duties.

Such compensation shall not be effective before the first day of the pay period during which the finding called for in paragraph "A" above is made. Where the subordinate is receiving a "Y" rate, or is for any other reason paid more than the base rate set for his classification, the supervisor's compensation shall be computed as if the subordinate were in fact receiving such base rate. Unless otherwise determined by the Director-Human Resources, such additional compensation shall be effective only for the period deemed necessary to maintain the salary of the supervisor at a rate of seven and one-half percent (7.5%) above that received by the subordinate. If the seven and one-half percent (7.5%) pay differential shall cease to exist due to merit increase, transfer, reassignment, reclassification, promotion, demotion, termination or any other contingency, then the rate of pay of the supervisor shall be adjusted to the rate he would have attained notwithstanding the provisions of this section. The effective date of said adjustment shall be the first day of the pay period following the change in the status of the subordinate. A change in the rate of pay or status of the supervisor shall invoke the Merit Increase sections of this Agreement and said section shall only be applied to the base rate of pay of the supervisor. The Director-Human Resources, at her discretion, may then apply the provisions of this section to a new base rate of pay accruing to any supervisor so affected. Policies and procedures relating to probation hours needed and/or merit increase hours needed are not affected by the provisions of this section.

Sec. 521 ADVANCED HOURLY RATE OF PAY PLACEMENT (LATERAL TRANSFERS): Upon the recommendation of the County Fire Chief and the Director-Human Resources, the County Executive Office may approve hiring a lateral transfer of an employee in the classification of Firefighter beyond the first step of the range. Reasonable proof must be presented that an applicant has qualifications deserving a starting hourly rate of pay higher than the first step of the salary range. Lateral transfers may not be hired into any classification except the classification of Firefighter.

ARTICLE 6
PREMIUM PAY

Sec. 601 BILINGUAL PREMIUM PAY:

Firefighter Unit:

Employees whose duties require the use of bilingual skills and who pass the language proficiency test established and administered by the Human Resources Division shall receive forty cents (\$.40) per hour compensated, not to exceed eighty (80) compensated hours for staff assigned personnel or one hundred twelve (112) compensated hours for line-assigned personnel, per biweekly pay period. Such premium pay shall be in addition to their base pay. During the term of this Agreement, the "use" requirement as previously defined by the Fire Chief shall be waived, and all employees that pass the proficiency test, regardless of station assignment, shall receive bilingual premium pay. All employees receiving said pay on December 29, 1984, shall continue to receive said pay during the term of their employment with the District, regardless of station assignment.

Auxiliary Unit:

Fire Control Workers and Senior Fire Control Workers whose positions require the use of bilingual skills shall be allocated for bilingual premium pay at the I, II, or III level. The allocation of positions among the respective levels shall be made by the Fire Chief, based upon the criteria established by, and subject to approval by, the Director-Human Resources. An employee's bilingual proficiency at Levels I and II shall be determined by an examination administered and certification issued by the Director-Human Resources or other approved county or city employer or educational facility at the employee's expense. Level III proficiency examinations shall be developed and administered solely by the Director-Human Resources. The level of an employee's bilingual proficiency shall be determined by an examination administered by the Director – Human Resources. Employees assigned to such positions shall be eligible for bilingual premium pay at the level of their position or level of their proficiency, whichever is less, subject to the conditions set forth herein.

The rates for the respective levels are:

<u>Bilingual Level</u>	<u>Premium Pay</u>
I	\$.65/hour
II	\$.80/hour
III	\$.90/hour

Employees in positions eligible to receive this premium pay shall receive the appropriate rate per hour compensated per biweekly pay period, not to exceed eighty (80) compensated hours per pay period.

Such premium pay shall be in addition to their base pay. To be eligible to receive this premium pay, upon the recommendation of the Agency/Department Head and the Director-Human Resources, the County Executive Officer must designate that such payment will be made.

A Joint Labor Management Committee shall be convened to study the bilingual standards, training and incentive amount. Any agreed upon changes will be implemented through an amendment to this Agreement.

Sec. 602 STANDBY PREMIUM PAY: Any employee in the District covered by this Agreement may be placed in a “stand-by” status at the discretion of the Duty Chief due to forecasted emergency conditions. Any such employee shall be compensated at the rate of one-fourth (1/4) his/her regular rate of pay, or twenty-five dollars (\$25.00), for each twenty-four (24) hour period, or fraction thereof, during which the employee is scheduled to be in a stand-by status, whichever sum provides the maximum benefit to the employee. No employee shall be paid for callback time and stand-by time simultaneously.

Sec. 603 Return To Duty: Employees who are called in to return to duty and report to work for one (1) hour or less, including those released from duty without having to work, shall receive an amount equal to two (2) hours of pay at straight time computed at the regular hourly rate. Any such employee who works more than one (1) hour shall receive appropriate overtime compensation for all time worked.

Sec. 604 EMT PREMIUM PAY: Subject to the following, all safety employees in the Firefighter Unit, shall be eligible to receive an Emergency Medical Technician Premium payment equivalent to four and three-quarters percent (4.75%) of the current, top-step Firefighter biweekly base rate of pay, only.

A. This payment is to be paid biweekly.

B. Employees who elect to attend a required EMT training program while in an off-duty capacity shall not be entitled to any overtime compensation for time spent attending that program. The District will hold twelve separate sessions of each such training program. Four will be held during on-duty time for fire suppression employees on each shift. On-duty employees will be allowed to attend any such training program that they may designate while on duty.

This provision shall not apply to employees who are prevented from attending any of the scheduled training programs while the employee is off duty due to industrial leave.

- C. Failure to obtain and/or maintain all required certificates and/or licenses shall result in denial of payment under this section, and shall also empower the District to impose disciplinary action. In addition, after review, the employee may be immediately reassigned without any loss of pay other than the EMT bonus. In lieu of this reassignment, the employee may elect to use paid leave benefits to perform the necessary acts to secure the required certification. Notwithstanding the foregoing, employees currently employed in the classifications of Fire Crew Supervisor, Hazardous Materials Specialist, Fire Prevention Officer – Safety and Fire Equipment Operator who do not obtain certification will not be subject to discipline. However, any such employee who does obtain certification shall then become subject to all the provisions of this Section C.
- D. Benefits potentially due under this Section shall not apply to Firefighter Trainees prior to successful graduation from the Academy.
- E. The District agrees to defend any and all employees against any and all civil claims or civil actions relating to the use of defibrillation equipment as required by Government Code section 995, or any other applicable law. In addition, the District agrees to indemnify, hold harmless and pay any judgment or settlement to which the District agrees relating to such employees and such claims as required by Government Code sections 825, 825.2, 825.6, 844.6, and 845.8, or any other applicable law. This section is not intended to expand or limit the District's rights and/or obligations under existing law.

Sec. 605 HIRT TEAM PREMIUM: An employee assigned to the Hazardous Incident Response Team (HIRT) shall receive an HIRT Premium Payment equivalent to five percent (5%) of the current, top step Firefighter biweekly base rate of pay. The payment shall be made biweekly. An employee regularly assigned to the HIRT shall not receive the bonus payment specified in Section 606 below.

An employee who transfers into the HIRT must attain certification as a Hazardous Materials Technician (or its equivalent).

The District agrees to pay the HIRT premium to at least six captains, six engineers and six firefighters.

Sec. 606 HIRT POOL PREMIUM: Employees who have attained certification of at least Hazardous Materials Technician (or its equivalent) shall be eligible to

become part of the HIRT Resource Pool (Pool). Members of this Pool will be eligible to work callbacks, mandates, shift-trades, etc. on the HIRT. Any HIRT Pool member shall receive an hourly bonus of \$1.25 (or a pro-rata portion thereof) for each hour spent working on the HIRT. Any employee working on the HIRT due to a voluntary shift-trade shall not be eligible to receive this hourly bonus. Employees shall commit to remain in the Pool for at least two (2) years after acceptance into the Pool. Exceptions to this commitment shall be allowed only upon approval of the Fire Chief.

Sec. 607 PARAMEDIC PREMIUM PAY: Firefighters and Firefighter Trainees who have (a) been licensed as Paramedics by the State of California, (b) attained accreditation from the County Emergency Medical Service Agency, and (c) been assigned by the Fire Chief on a permanent or temporary basis to the Advanced Life Support (ALS) program shall be eligible to receive Paramedic premium pay in an amount equal to 10% of their current biweekly base rate of pay while at Level I. An employee advancing to level II shall receive Paramedic premium pay in an amount equal to 15% of the current top step Firefighter biweekly base rate of pay. An employee advancing to the Preceptor level shall receive Paramedic premium pay in an amount equal to 20% of the current top step Firefighter biweekly base rate of pay. Biweekly base rate of pay is determined by the then applicable compensation schedule referred to in Section 501, and is the equivalent of annual base hourly rate of pay divided by 26 pay periods. These payments are to be paid biweekly. Paramedics shall advance from level I or II within 18 months, unless exempted by the Fire Chief or prevented by circumstances beyond their control.

The Paramedic premium pay shall be in addition to the EMT Premium pay set forth in Section 604.

A Paramedic may withdraw from the ALS program during his/her first three years in the program only with the approval of the Fire Chief, in which case he/she shall no longer be eligible for the Paramedic premium pay. Any Paramedic who intentionally fails to maintain required licensing or accreditation for the purpose of achieving removal from the ALS program is subject to discipline, up to and including dismissal, as well as loss of the Paramedic premium pay. A Paramedic who has completed service in the ALS program for three years or more may opt-out of the program.

Paramedics who suffer a loss of license or reduction of accreditation for reasons other than the inability to qualify because of an industrial illness or injury are not eligible for the applicable Paramedic premium pay until the license and/or accreditation is restored. In no event shall an employee who maintains licensure be reduced below level II Paramedic. Relicensing and accreditation are the employee's responsibility but are subject to overtime compensation by the District under Section 1108.

Only employees in the classifications of Firefighter and Firefighter Trainee who have successfully graduated from the Academy shall be eligible for the Paramedic premium pay described in this section. Employees in other classifications who are licensed as Paramedics are allowed to practice their Paramedic skills on-duty and may attend on-duty continuing education, but are not eligible for the Paramedic premium pay.

Licensed Paramedics in the classifications of Firefighter and Firefighter Trainee shall be eligible to become part of the Paramedic Resource Pool at the sole discretion of the Fire Chief. Said Paramedics shall receive Paramedic premium pay as described above with the number of pool participants flexible at the Fire Chief's discretion based upon the program's needs. Firefighter assignments at engine/rescue engine companies that are associated with a Paramedic squad shall be designated as pool paramedic assignments.

Licensed Level II Paramedics who were previously assigned to positions within the ALS Program may be permitted to work overtime in an ALS assignment and be compensated with the paramedic premium pay for time worked in that assignment at the discretion of the Fire Chief or his/her designee.

Fire Engineers and Fire Captains who are State licensed Paramedics and accredited Level II Paramedics by the County of Ventura Emergency Medical Services Agency may be assigned to the ALS Program at the discretion of the Fire Chief and shall be compensated with Paramedic Premium Pay at the rate of ten percent (10%) of their base rate of pay.

Sec. 608 INSPECTION PREMIUM: Employees who are required to conduct fire inspections outside of their normally scheduled work hours will be compensated for the hours actually spent conducting the inspection including any needed pre-inspection preparation or post-inspection work and drive time. Affected employees shall be compensated for a minimum of four hours pay in accordance with Article 11, "Overtime", of this Agreement.

Sec. 609 URBAN SEARCH AND RESCUE PREMIUM: Effective June 30, 2019, a qualified employee regularly assigned to the Urban Search and Rescue (USAR) Company shall receive a premium payment equivalent to five percent (5%) of the current, top step Firefighter biweekly base rate of pay. This payment shall be made biweekly.

Should an employee who is regularly assigned to the USAR Company be on a leave of absence, another qualified employee may be assigned to the USAR Company to backfill the temporary vacancy at the discretion of the Fire Chief. The employee assigned to backfill the temporary vacancy shall,

after serving a full pay-period in the Company, receive the USAR premium during the time that the employee is assigned to the USAR.

Should an employee on a leave of absence continue to receive the USAR premium while on leave, any employee assigned to backfill that vacancy will be ineligible to receive the USAR premium for as long as the employee may backfill such vacancy.

ARTICLE 7
FLEXIBLE BENEFIT PROGRAM

Sec. 701 PLAN OPTIONS: Employees covered by this Agreement may elect to participate in either the "County of Ventura Flexible Benefit Program" (hereinafter referred to as the Flexible Benefit Program) as set forth in the plan document for that program including all applicable supplements or the VCPFA-sponsored Medical Insurance Program. Any employee electing to participate in such program shall be permitted to select, pursuant to the provision of Section 703 below and the plan document, any Flexible Benefit Program option made available to any other represented employee through a County sponsored plan. Once enrolled in a VCPFA-sponsored Medical Insurance Plan through the County's cafeteria plan, an employee may only elect to enroll in VCPFA-sponsored Medical Insurance Plans thereafter.

Employees currently enrolled in the VCPFA sponsored Medical Insurance Plans and employees hired after July 01, 2009 and covered by this Agreement may only participate in the VCPFA sponsored Medical Insurance Plans.

Sec. 702 DISTRICT CONTRIBUTIONS: The District shall continue to contribute \$272.00 per biweekly pay period on behalf of each employee who enrolls in the Flexible Benefit Program. Effective July 1, 2018, the District's contribution shall be increased to \$322.00 per bi-weekly pay period.

Effective June 30, 2019, the District's contribution shall increase to \$372.00 per biweekly pay period.

Effective June 28, 2020, the District's contribution shall increase to \$432.00 per biweekly pay period.

Sec. 703 ENROLLMENT: An employee, once enrolled in a flexible benefits option or options shall remain in said plan or plans until the next open enrollment period is declared. Such open enrollment shall occur at least once per plan year. The County reserves the right to adjust the Flexible Benefits Plan's option or options rates at any time during the plan year following thirty (30) days' notice to the VCPFA.

Sec. 704 CONTINUATION OF MEDICAL PLAN: Should an employee exhaust sick leave and go on medical or maternity leave of absence without pay, the District agrees to continue to make its contribution to the health insurance option in which the employee is enrolled for up to sixteen (16) biweekly pay periods. Eligibility under this provision will run concurrently with eligibility under the Family Medical Leave Act (FMLA). The compensation upon which payment of this premium is based shall be the number of hours compensated on the bi-week immediately preceding the placement

of the employee during medical or maternity leave. This section shall not be applicable to employees receiving compensation pursuant to Section 4850 of the Labor Code. Section 4850 shall determine length of benefit for said employees.

Sec. 705 LABOR/MANAGEMENT COMMITTEE: The Association agrees that it is in the best interest of the parties to participate in an ongoing review of the current Health Insurance Plans and their designs. Accordingly, the parties agree to the continuation of a joint management/labor health care cost containment committee. The District agrees to provide the committee with information such as appropriate utilization and claims experience and other information relative to its health care plans. Such committee shall meet at least quarterly for the purpose of discussing cost containment alternatives, reviewing financial progress of the plan and assisting in educational activities and to provide additional options within the cafeteria as deemed appropriate.

Authorization by the Board of Directors of the District contribution provided under Section 702 shall be contingent upon the County Director-Human Resources' certification of eligibility.

Within thirty (30) days of receipt of the information required above, the District Director-Human Resources shall either certify the plan, or advise the Association in writing of his denial of certification and the reasons thereof.

The Association plan shall be deemed eligible to receive the District contribution when benefits provided under said plan are at least comparable to those provided under the County-sponsored plan.

Sec. 709 COUNTY'S RIGHT TO MAKE CHANGES: For the term of this Agreement, the parties agree that the County retains the exclusive right to make changes necessary to administer the Flexible Benefits Programs, and VCPFA specifically waives any rights it may have to meet and confer with respect to the decision or impact of changes. Such changes may include, but are not limited to, the addition or deletion of plans, plan benefits, and/or increases or decreases in benefit rates.

Notwithstanding the above, the County shall not eliminate or make changes to the VCPFA health care plan portion of its Flexible Benefits Program as long as that plan's provisions are consistent with applicable State and Federal laws.

Sec. 710 AFFORDABLE CARE ACT: During the term of this Agreement, either party shall have the option to compel the other to meet with it to discuss the impact of the Affordable Care Act on the provisions of Article 7; provided, however, that no change to the provisions of Article 7 shall occur without the mutual agreement of the parties.

Sec. 1202 PUBLICATION OF ELIGIBLES: The Director-Human Resources shall furnish to the Association a copy of all eligible lists in connection with promotional examinations to classifications covered by this Agreement, with the eligibles ranked in order and test scores included. In addition, each eligible on the list shall be informed of his/her test score and standing on the list.

Sec. 1203 APPOINTMENTS FROM THE ELIGIBLE LIST: Temporary and regular appointments to all classifications covered by this Agreement shall be made in the manner required by the Personnel Rules and Regulations provided that the selection shall be made from among the three (3) highest standing individual candidates on the applicable eligible list. Where two or more candidates receive an identical score on an examination, the individual(s) with the most seniority with the District shall stand highest on the list for the purpose of this provision. Whenever there is a vacant position the Appointing Authority desires to fill, the Human Resources Division shall certify the highest standing three names plus one additional name, in order of standing, for each additional vacancy.

A new eligible list cannot be created until the prescribed term of the existing eligible list has ended unless either (a) there are no candidates remaining on that list or (b) there are fewer than three (3) candidates and the Association and the District agree to terminate the list prior to its stated expiration date.

Sec. 1204 SELECTION INTERVIEW BY APPOINTING AUTHORITY: Each of the three candidates certified to an Appointing Authority who responds in accordance with Section 808 of the Ventura County Personnel Rules and Regulations to the notification of certification must be interviewed by the Appointing Authority, unless the interview is mutually waived by the

candidate and the Appointing Authority. The Appointing Authority shall report to the Director-Human Resources in writing the reasons for selecting the successful candidate and not selecting other eligibles who were certified. The Appointing Authority shall communicate to each candidate who was passed over in favor of an individual standing in a lower position on the eligible list (1) the reasons why he/she was not selected and (2) specific recommendations as to how he/she can enhance the likelihood of being selected in the future. The candidate shall be entitled to be accompanied by a representative of the Association when the communication occurs. No Appointing Authority shall discriminate against any candidate because of race, color, national origin, religion, sex, age, functional limitation or the exercise of his/her rights under the Meyers/Milias/Brown Act.

Sec. 1205 APPEAL PROCESS: An employee may file an exam appeal in accordance with Section 523 of the Ventura County Personnel Rules and Regulations for any of the following reasons:

- A. Appropriateness or correctness of item(s) in the written examinations; or
- B. Failure to follow proper examination procedures; or
- C. Fraud, favoritism, or other non-merit factors involved in either the promotion or examination process.

ARTICLE 13
COMBINED LEAVE FOR FIRE UNIT EMPLOYEES

Sec. 1301 DEFINITION: For the purposes of this Agreement, Combined Leave shall mean the combination of those hours previously accrued under past Agreements as Vacation Leave and Holiday Leave.

Sec. 1302 USAGE: The Fire Chief or his designee has established a procedure for scheduling an employee's Combined Leave periods. The granting of a Combined Leave period less than the employee's annual entitlement is to be discouraged so that the full benefits of the Combined Leave can be realized by the employee. The number of employees who have accrued a sufficient number of combined leave hours who may be allowed time off with pay on a given day shall be determined in accordance with the Fire District's Combined Leave Administrative Policy.

A. For historical purposes, for line-assigned employees, the following holidays have been included in the Combined Leave accrual rates and shall be scheduled off in accordance with the above paragraph:

1. New Year's Day, January 1
2. Martin Luther King Day, 3rd Monday in January
3. President's Day, 3rd Monday in February.
4. Memorial Day, last Monday in May
5. Independence Day, July 4th
6. Labor Day, 1st Monday in September
7. Admissions Day, September 9th
8. Veteran's Day, November 11th
9. Thanksgiving Day, 4th Thursday in November
10. The day following Thanksgiving
11. Christmas Day, December 25th
12. Every day appointed by the Governor of the State of California for public fast, thanksgiving, or holiday, when specifically approved by the Board of Directors will add an additional eleven and two-tenths (11.2) hours to each line-assigned, fifty-six (56) hour work week employee's Combined Leave bank.

B. For historical purposes, for employees other than line assigned, the holidays are as listed in 1302(A), above, plus Lincoln's Birthday, February 12. Those holidays have been included in the Combined Leave bank and shall be scheduled off in accordance with the established procedure, with the following exceptions:

1. For the purposes of this provision, "other than line assigned" is defined as employees assigned to a forty (40) hour work week in a position that is primarily non-operational, not constantly staffed or back-filled when there is a vacancy, and would otherwise not be staffed on the described holidays. Examples of "other than line assigned" include employees assigned to the Fire Prevention

Bureau, Training Captains, USAR Officers, Vegetation Management Officers, Haz-Mat Officers and any other position as mutually agreed upon by VCPFA and Fire Management.

2. Combined Leave shall be taken on the following days:

- a. New Year's Day, January 1
- b. Martin Luther King Day, 3rd Monday in January
- c. Memorial Day, last Monday in May
- d. Independence Day, July 4
- e. Labor Day, 1st Monday in September
- f. Thanksgiving Day, 4th Thursday in November
- g. Christmas Day, December 25

Any such employee who is required to work on Independence Day, Labor Day, Thanksgiving Day and/or Christmas Day shall still have his combined leave account reduced as if he was absent with pay for any such holiday during which he was required to work but shall receive appropriate overtime compensation for all time worked on any of those holidays.

3. Every day appointed by the Governor of the State of California for public fast, Thanksgiving, or holiday, when specifically approved by the Board of Directors, will add an additional eight (8) hours to each forty (40) hour work week employee's Combined Leave bank.

Sec. 1303 ACCRUAL: Annual Combined Leave periods are earned according to consecutive bi-weeks of full-time service, commencing with the employee's initial hire date, or with the first date of hire of his latest period of District or County employment.

A. Combined Leave credits are earned according to the following:

56 Hour Employees			40 Hour Employees		
Combined Leave Credit Earned/Biweek	Hours of Compensated Service	Years	Hours of Compensated Service		Combined Leave Credit Earned/Biweek
9.04	< 14,560	< 5	< 10,400		6.76
11.19	14,560 but < 32,032	5 <	10400 but < 22,880		8.29
11.63	32,032	11	22,880		8.6
12.03	34,944	12	24,960		8.9
12.47	37,856	13	27,040		9.21
12.9	40,768	14	29,120		9.52
13.34	43,680 +	15 +	31,200 +		9.82

- B. Combined Leave shall not be accumulated beyond seven hundred (700) hours for fifty-six (56) hour employees and five hundred eleven (511) hours for forty (40) hour employees. Any Combined Leave earned beyond the applicable maximum accrual shall be paid in cash at the current hourly rate.

Sec. 1304 COMBINED LEAVE REDEMPTION: After one (1) year service, any employee may elect to redeem up to the employee's maximum annual accrual of Combined Leave credits contained in the employee's Combined Leave bank at the current hourly rate of pay. A request for payment under this paragraph shall not be made more than twice per calendar year. Any such election shall be subject to the following conditions:

- A. Any employee wishing to receive cash in lieu of annual combined leave hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem combined leave hours for cash.
- B. After a qualified election is made, employees may request cash out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. An employee may make up to two requests per calendar year for payment in lieu of his/her combined leave. The two requests, when combined, shall not exceed an employee's maximum annual accrual of combined leave. Only combined leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for combined leave hours accrued in a prior calendar year are not allowed.
- C. If an employee fails to request payment for the total combined leave hours elected for cash out, the District shall unilaterally cash out the elected combined leave hours to the extent that an employee has accrued combined leave available before December 31 of the calendar year.
- D. Combined leave hours used for paid time off will be deducted first from combined leave hours accrued in prior calendar years, and last from combined leave hours accrued in the current calendar year.
- E. Employees who are eligible for combined leave redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem combined leave for pay in the subsequent calendar year.

- F. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem combined leave hours for cash (or to increase the amount of a previous election) during the calendar year in which the unforeseeable emergency occurs. For these purposes, “unforeseeable emergency” means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee’s spouse, or a dependent of the employee, loss of the employee’s property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant. The amount of such new election (or increase in a prior election) shall be limited to the amount necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee’s assets (to the extent that liquidation of the employee’s assets would not itself cause severe financial hardship). Whether an occurrence is an unforeseeable emergency shall be determined by the auditor-controller’s office in its sole discretion.

- G. The Human Resources Division and Auditor-Controller’s Office shall develop forms and procedures for implementation of this program.

- H. If it is subsequently determined by the Auditor-controller, the Internal Revenue Service, a court of competent jurisdiction or another governing authority that the leave redemption provisions in place prior to October 2016 or substantially similar, will not trigger constructive receipt of income from accrued leave, the VCPFA may, at its sole option, compel the District to reopen negotiations in order to restore the leave redemption provisions in place in October 2016 or something substantially similar that will not trigger constructive receipt of income from accrued leave.

Sec.1305 COMBINED LEAVE PAYOFF ON RETIREMENT OR TERMINATION:
 Any regular employee who terminates or is terminated, shall be paid the base hourly rate of pay for each hour of earned Combined Leave, based upon the current hourly rate of pay in effect for such person on the last day employed.

Sec. 1306 RATE OF PAY WHILE ON COMBINED LEAVE: While on Combined Leave, employees shall be compensated at the rate of pay they would have received had they been on the job.

Sec. 1307 ACCRUAL ADJUSTMENTS: Upon re-assignment to a forty (40) hour work week status from a fifty-six (56) hour work week status or vice versa, an employee's Combined Leave balance shall be adjusted

proportionally to provide an equivalent amount of time off. All Combined Leave shall be factored either up or down by dividing or multiplying by 1.4 as appropriate.

ARTICLE 14
SICK LEAVE FOR FIRE UNIT EMPLOYEES

Sec. 1401 SICK LEAVE ACCRUAL RATES:

- A. Line Assigned Employees: Sick leave shall be authorized only for regular employees. Every full-time, shift assigned employee shall accrue five and fifteen hundredths (5.15) hours of sick leave with pay for each bi-weekly pay period of full-time service. A shift assigned employee shall not earn sick leave credit during a bi-weekly pay period in which said employee is absent without pay for more than one (1) shift.
- B. Forty (40) Hour Employees: Every full-time, staff assigned employee shall accrue three and sixty-eight hundredths (3.68) hours of sick leave with pay for each bi-weekly pay period of full-time service, except no employee shall earn sick leave credit during a pay period in which he is absent without pay for more than twelve (12) regularly scheduled working hours.

Sec. 1402 MAXIMUM SICK LEAVE ACCRUAL: Sick leave shall accrue to a maximum of one thousand, two hundred thirty-two (1,232) hours for shift assigned employees. Sick leave shall accrue to a maximum of eight hundred eighty (880) hours for 40-hour employees. Sick leave accruals in excess of the stated maximum or an employee's individually established maximum as determined on September 5, 1976, shall receive a twenty-five percent (25%) cash pay down for hours over the accrual maximum at the end of each fiscal year. Such pay downs shall be computed at the hourly rate in effect at the time of the request.

Sec. 1403 ADVANCE SICK LEAVE CREDIT: New regular, full-time employees shall receive an advance sick leave credit of thirteen (13) bi-weekly pay periods as sick leave accrual as of the date of hire. Said sick leave credit advancement shall be balanced upon completion of thirteen (13) bi-weekly pay periods of service or upon earlier separation.

Sec. 1404 APPROPRIATE USES OF SICK LEAVE: Subject to the limitations expressed below, sick leave may be applied to:

- A. Absence caused by illness or injury of an employee.
- B. Medical or dental office calls that cannot be scheduled for the employee's day off when absence during working hours for this purpose is authorized by the department head.
- C. Maternity leave as provided in these Articles.

- D. Unless authorized by the County Director-Human Resources, a maximum of seventy-two (72) hours for fifty-six (56) hour personnel or forty-eight (48) hours for other employees of accumulated sick leave credit shall be allowed to an employee within any calendar year for absence from duty because of serious illness or injury of members of his immediate family. For the purpose of this section, "immediate family" shall mean; the spouse, parent, guardian, brother, sister, child, grandchild, grandparent, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, and sister-in-law of an employee.
- E. Sick leave shall not be used in lieu of Combined Leave, nor shall it be used in addition to Combined Leave without certification of a physician that such usage is medically required.

Sec. 1405 DEPARTMENTAL RESPONSIBILITY FOR ADMINISTRATION: The department head shall be responsible for control and use of sick leave privileges. Employees utilizing sick leave may be required to furnish a certificate issued by a licensed physician or nurse, or other satisfactory evidence of illness. Any person absent from work on sick leave shall notify his department head on the first day of such leave and as often thereafter as directed by his department head. The County Director-Human Resources or the department head may request that a medically trained employee verify the employee's illness or injury by a visit to the employee's residence.

Sec. 1406 PHYSICIANS CERTIFICATE AND EXAMINATION FOLLOWING ABSENCE FROM DUTY: An employee absent due to his illness or injury for more than five (5) consecutive work days or three (3) consecutive work shifts may not be entitled to use sick leave credit for his absence on any day after the five (5) days or three (3) shifts unless and until he presents to his Appointing Authority a certificate signed by his physician stating that he was ill or injured on each day of such absence. Any employee absent for a period of seven (7) consecutive calendar days due to illness or injury may, at the discretion of his Appointing Authority or the County Director-Human Resources, be required to take a physical examination before returning to active duty. Such physical examination shall be performed by a physician designated by the County Director-Human Resources and shall be at the District's expense.

Sec. 1407 CANCELLATION OF SICK LEAVE ON TERMINATION: Termination of continuous service of an employee, except by reason of layoff, shall result in cancellation of all sick leave accrued by said employee at the time of such termination irrespective of whether or not such person subsequently re-enters the District service.

Sec. 1408 COMPENSATION FOR UNUSED SICK LEAVE UPON TERMINATION:

The District shall make cash payment of all unused sick leave as follows:

- A. An employee with 20,800 (40 hour employee) or 29,120 (56 hour employee) hours of service (or any combination of compensable hours equating to 10 years of service) shall, upon retirement or termination, with the exception of discharge for cause, or upon death notwithstanding length of service, receive a cash payment of one hundred percent (100%) of his unused sick leave balance, except that said employee may instead, in lieu of cash payment, elect to be credited for fifty percent (50%) of sick leave accumulated as of the date of retirement and that such sick leave credit be in addition to service credit pursuant to Government Code Section 31641.03. An employee retiring on a service-connected disability will receive a cash payment of one hundred percent (100%) of his unused sick leave balance.
- B. Prior to separation, sick leave accruals of line assigned employees will be converted to a forty (40) hour work week basis and shall be computed upon the hourly rate equivalent to the employee's hourly rate of pay on the last day worked.

A Joint Labor Management Committee will be established to study the ability to contribute the value of sick leave accruals at separation of employment to a post-retirement health plan whereby such contributed funds could be used to pay premiums for medical insurance for the retiree and eligible dependents without being subject to federal or state income taxed and to consider increasing the payout rate above the twenty-five percent (25%). Any agreed upon changes will be implemented as an amendment to this Agreement.

Sec. 1409 RATE OF PAY WHILE ON SICK LEAVE: While on sick leave, employees shall be compensated at the same base rate of pay they would have received if they had been on the job.

Sec. 1410 USE OF SICK LEAVE WHEN PERMANENTLY INCAPACITATED: Accrued sick leave may be utilized by such employee after exhaustion of all Labor Code Section 4850 benefits and until such time the employee has been retired from the District.

Sec. 1411 SICK LEAVE REPORTING: Employees authorized to be absent from the job due to illness or injury shall report the absence on a straight-time basis. Absence for a full shift of a line assigned employee would constitute using twenty-four (24) hours of sick leave.

Sec. 1412 ACCRUAL ADJUSTMENT: Upon reassignment to a forty (40) hour work week, an employee's sick leave accrued on a non-forty (40) hour work week

shall be adjusted proportionately downward to provide an equal amount of time off. Upon reassignment to a non-forty (40) hour work week status, the employee's sick leave time accrued on a forty (40) hour work week basis shall be adjusted proportionately upward to provide an equal amount of time off.

ARTICLE 15
INDUSTRIAL LEAVE

Notwithstanding any other provisions of this Agreement, payment of industrial disability compensation salary for absence caused by a work related injury or work related illness shall be governed by the applicable section of the Labor Code of the State of California. The District shall not deduct either State or Federal withholding taxes from Labor Code Section 4850 payments unless required by Federal or State law. In the event sick leave has been used prior to the Labor Code Section 4850 payment, the District shall not be required to reimburse any withholding taxes from said sick leave.

ARTICLE 16
LEAVES OF ABSENCE

Sec. 1601 LEAVES OF ABSENCE - GENERAL POLICY: Leaves of absence from regular duties without pay for such purposes as recovery from illness or injury or to restore health, maternity, travel, education, training or assisting other public jurisdictions, may be granted by the Appointing Authority not to exceed one (1) year where such leave is in the best interest of the District. Additional leave for the same purposes may be granted by the County Director-Human Resources with the concurrence of the District. This section shall not limit military leave of absence rights as provided in the California Military and Veterans Code or as provided in other statutes.

It is the intent of the parties to fully comply with the mandated minimum requirements of both the federal Family Medical Leave Act (FMLA) and the California Family Rights Act (CFRA). Any leave granted pursuant to this Article shall run concurrent with, any leave granted pursuant to the FMLA, USERRA or CFRA.

Sec. 1602 NO LOSS OF RIGHTS OR BREAK IN SERVICE: Employees on authorized leaves of absence shall not lose any rights accrued at the time the leave is granted and such authorized leave of absence shall not be deemed a break in District Service.

Sec. 1603 RETURN FROM LEAVES OF ABSENCE: An employee absent on authorized leave of absence may return to work prior to expiration of the period of authorized leave upon receiving permission thereto from the District. However, employees are responsible for reporting to work promptly following the last day of said official leave of absence.

Sec. 1604 BEREAVEMENT LEAVE: An employee may be absent for up to forty-eight (48) hours for fifty-six (56) hour personnel or twenty-four (24) hours for other employees without loss of pay because of the death of the employee's spouse, registered domestic partner, parent, step-parent, guardian, brother, step-brother, sister, step-sister, child, step-child, grandchild, grandparent, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law or daughter-in-law of an employee. This entitlement is separate from sick leave and should not be charged to sick leave.

Such absences must be taken within one (1) year from the event date and may be taken in full-day increments only. When circumstances require absence in excess of the time allowed, the Appointing Authority may allow the use of an additional bereavement leave day, accrued combined leave, compensatory time off, or one (1) shift or day of sick leave.

Sec. 1605 MATERNITY LEAVE: An employee may work the entire time of her pregnancy provided she is able to meet the demands of her position. This determination may be made by the employee and the employee's physician or, if the Appointing Authority requests, the determination may be made by the District's physician in consultation with the employee's physician and the employee. The determination as to when an employee is to begin maternity leave shall be made on the basis of the following:

- A. The employee's physician, in consultation with the employee, certifies that she should discontinue working because of pregnancy;
- B. The District physician, in consultation with the employee's physician and employee, determines the employee's continued employment causes unreasonable risks of liability to the District; or
- C. The employee is unable to satisfactorily perform her job duties.

Sec. 1606 LENGTH OF MATERNITY LEAVE: A six (6) month leave of absence without pay may be granted by the Appointing Authority, and an additional six (6) months may be granted upon showing of exceptional circumstances.

- Sec. 1702 NATURE OF PERFORMANCE EVALUATIONS: Performance evaluations shall be used to objectively evaluate the performance of the employee during the last performance evaluations period. Performance evaluations shall also be utilized to establish employment goals for the next performance evaluation period and to develop criteria by which to measure the attainment of those goals. For EMS related issues, input may be obtained from the Paramedic Liaison. The employee shall acknowledge that he has read such material by affixing his signature on the material to be filed with the understanding that although such signature indicates acknowledgement, it does not necessarily indicate agreement. If the employee refuses to sign the material, it shall be placed in his personnel file with an appropriate notation by the person filing it. The employee shall have the right to attach to the material a written explanation and/or denial of the contents thereof. A copy shall be given to the employee and a copy filed in the employee's personnel file. All reference to such unfavorable performance shall be removed from the employee's personnel file.

The Fire Chief shall notify the County Director-Human Resources and the employee of any extension and the reasons therefore.

Where the District is considering the extension of an employee's probationary period, such employee shall be informed of his right to representation at a meeting to discuss the extension of the probationary period. The employee so dismissed may write a letter for inclusion in his permanent personnel file. Upon a return to his former position in the same agency or department, the employee shall not serve a new probationary period. ARTICLE 22
ADDITIONAL EMPLOYEE BENEFITS

Sec. 2201 DEFERRED COMPENSATION: Employees covered under the provisions of this Agreement may participate in the County's Deferred Compensation Program.

- A. Employees may participate in the County's 457 Deferred Compensation Plan. Participation in said plan shall be subject to the rules and regulations applicable to the plan.
- B. Employees may participate in the County's 401(k) Shared Savings Plan. Employees may elect to contribute a percentage of their compensation into the plan within the limits set forth in Section 301 of the plan.
- C. Employees in the Auxiliary unit covered by this agreement may participate in the County's Deferred Compensation Program. Employees eligible for, and who participate in, the 401(k) Plan may contribute the maximum amount allowed under the County's plan but must contribute at least one and one-half percent (1.5%) of hourly rate of pay and the District shall match one and one-half percent (1.5%).

All employees who participate in the plan shall be subject to the provisions of the plan and all legal requirements and/or limitations applicable to the plan, including limitations on the amount of combined annual contributions to the plan.

Sec. 2202 SERVING AS WITNESS: No deductions shall be made from the pay of an employee for an absence from work when subpoenaed to appear in court or at a deposition or other judicial or administrative proceeding as a witness, other than as a litigant, in a matter pertaining to any event or occurrence arising during the course and scope of the performance of duties as a sworn firefighter. Mileage and other actual expense reimbursement received as a result of service as a witness may be retained by the employee.

Sec. 2203 JURY SERVICE: No deductions shall be made from the pay of an employee absent from work when required to appear in court as a juror for petit jury panels for Municipal and Superior Courts. When possible to do so, employees shall provide advance notification of any anticipated absence to their immediate supervisor. Mileage and other actual expense reimbursement received as a result of service as a juror may be retained by the employee.

Sec. 2204 SHIFT TRADES: Shift trades shall be accomplished in accordance with the provisions of Administrative Policy 11202 in effect on the date of this agreement, a copy of which is attached as Appendix B, or as mutually

amended by the County Executive Office, the Fire District and VCPFA.

Sec. 2205 EMERGENCY FEEDING: Every attempt shall be made to provide meals for employees engaged in emergency activity at intervals not to exceed six (6) hours.

Sec. 2206 VOTING: If an employee lives outside of their engine company area, they should make arrangements to vote with an absentee ballot. If he/she is working on Election Day, they should have voted prior to reporting for work. Where an employee is working as a result of a callback, they shall be allowed time off to vote without loss of benefits.

Sec. 2207 TRANSFERS: Transfer requests will be considered after one (1) and two (2) year time limitations at assignments. Any changes must be made in writing. Transfer requests will be granted on a seniority basis.

A. Procedures: The Fire District has established procedures for the transfer and reassignment of employees. The Fire District may process transfer requests on an as needed basis and this will occur, at a minimum, on a quarterly basis. In addition, transfer requests shall be processed whenever a Firefighter Trainee has been promoted to the classification of Firefighter. Transfer request shall be made on VCFD #39 in accordance with instructions in the "Procedure Manual for Report Forms".

Transfer Selection Date: Transfer cards must be submitted and transfer requests will be processed in accordance with the schedule published by the District.

Note: Preferences must be shown. All changes will require submittal of a new Form #39. All form #39's will be date stamped by the receptionist at headquarters. The following requests will not be recognized by the administration:

1. Requests received after 5:00 p.m. on the designated closing date.
2. Requests having no date stamp, thus precluding telephone and/or verbal corrections of VCFD #39.
3. Personnel who have not fulfilled their time limit at present requested assignment.

B. Expiration date of Form #39: On December 31 of each year, all requests for transfer will have expired. Individuals who want to remain eligible for transfer must submit new cards.

C. Time Limitations at Assignments: The effective date of assignment shall be the date stated in the HR Bulletin announcing reassignments. Employees will first become eligible for transfer in the same quarter as that of the previous year in which the current assignment was bid. This is regardless of whether a full 365 days have been completed at the current assignment. In the case of a 2-year commitment, employees will become eligible in the same quarter of the second year

1. Line Assignments:

A. Engine & Truck Companies: One continuous year.

B. Hazardous Incident Response Team (HIRT): Two continuous years upon completion of requisite training to the Technician level or equivalent. (TA 9/03/03)

Exceptions: Personnel who have previously met the two-year commitment and have maintained "HazMat" technical certification shall only be required to make a full one year commitment upon a reassignment to HIRT. In the event an employee assigned to the HIRT has not been trained to at least the HazMat Technician level within the first twelve (12) months of his/her assignment, that employee shall be released from the two (2) year commitment. Any other exception must be approved by the Chief and/or his authorized designee.

2. Staff: Members assigned to staff functions shall remain at an assignment for a minimum period of one (1) year before being eligible for a transfer. Any exception must be approved by the Fire Chief. Persons not filling an assignment of their choice will not be held to these limits. The provision requiring a one-year commitment was modified in July 2010 from a previous requirement for a two (2) year commitment. At the conclusion of this agreement, the staff time commitment will be reevaluated and automatically revert to the previous two (2) year requirement unless there is mutual agreement by both parties to continue at one (1) year.

Members transferring into a staff assignment may, at their discretion, retain the right to return to their previous field assignment at the completion of their one (1) year commitment, provided that they held "bid rights" to that assignment at the time they transferred into staff.

With the mutual agreement of the VCPFA and Fire District management, the time period associated with this provision may be extended up to eighteen (18) months for the purposes of completing specialized project work where a reassignment would significantly disrupt completion of the project.

3. Mutual transfers: Members of equal rank may request a mutual transfer. Such requests shall be submitted to the Operations Bureau, which will route the request to the appropriate member(s) of department management, who will act upon said request according to the policies set forth herein and must meet time eligibility requirements. Mutual transfers may be denied and/or reversed by joint action of the District and VCPFA to avoid unfair manipulation of the remaining provisions of this section.

A request for mutual transfer will be denied if any member holding higher seniority than either of the requesting parties has a current bid selection for one or more of the affected assignments subject to the following provision. In the case that two (2) or fewer senior members have a current bid selection for the affected assignment(s), a member of the HR staff will make a confidential courtesy contact with the senior member(s) to advise them of the mutual request and to determine if they wish to keep the bid for the assignment(s) active. If the senior member(s) choose to withdraw their bid(s), the transfer request will be processed. In the case that three (3) or more senior members have active bid selections no contacts will be made and the mutual transfer request will be denied. Mutual transfer requests will not be processed during the month of January.

Mutual transfers shall not be allowed between staff and line assigned personnel or staff and staff assigned personnel.

4. Special Assignments: The District may assign a line employee to an assignment and schedule other than that specified by Section 1002 in order to perform a special project for up to one hundred eighty-two (182) days. If the employee and the District both agree to extend the assignment beyond the 182-day period, on the day thereafter the employee's station position shall be considered vacant and subject to the transfer procedure set forth in this Section. The benefits set forth in Section 2207-D shall not be available to an employee agreeing to remain in the special assignment

beyond 182 days.

Special assignment to the Wildland Fire Crew Section will be for the length of declared fire season and such employees shall not have their permanent assignment considered vacant.

5. No-Choice Assignments: A regular vacancy that is filled by an employee who did not request the assignment through the transfer process is considered a no-choice assignment. Commencing with the effective dates of the assignment and for up to six months, such assignments will continue to be advertised and are subject to bid. If no one has transferred into this assignment within six months, the vacancy is no longer open for bid and will no longer be advertised. Additionally, the individual filling the no-choice assignment will become permanently assigned and can no longer be bumped. No-choice assignments are not held to the time limitations as stated above.
- D. Reductions in allocations or displacement: Reduction in allocations or displacement: Preference will be given to those individual forced to transfer due to either a reduction in personnel or displacement. Those affected will be placed at the top of the seniority list in the order they are displaced - "first displaced, first placed." Upon notification to the Ventura County Professional Firefighters Association from the Fire Chief that a position will require displacement, any employee who subsequently transfers into that position will not be eligible for the preference described above.
- E. Firefighter Trainees and Training Positions - Two (2) firefighter positions in each battalion shall be designated as trainee positions at the discretion of District management. Once a designation is made, the firefighter with the least amount of seniority within the company to which the designated position is assigned shall be displaced for a period of no longer than nine (9) months and shall not be displaced again, as a result of this provision, for a period of twelve (12) months following the conclusion of the displacement period. The temporarily displaced employee shall retain the right to the assignment when it is not filled by a trainee, with no loss in assignment minimum time limits for purposes of requesting transfers. No firefighter trainee shall be allowed to utilize the procedure(s) set forth in the foregoing subsections of this section.
- F. The foregoing transfer procedure shall not be available to entry level employees who have not yet completed their initial probationary period. Those individuals may be reassigned at the sole discretion of the District management, provided, however, that

if such a reassignment is deemed necessary, the individual will be reassigned to a vacant position for which no other employee has submitted a transfer bid. If no such vacant position then exists, the individual will be assigned to a vacant position for which a transfer bid is pending, provided that such transfer bid shall be honored as soon as the reassigned probationary employee has either successfully completed probation or been removed from that position. If no such vacant position then exists, the District management shall make every effort to accomplish the reassignment through a voluntary trade before displacing a regular employee. If no trade can be effectuated, the reassignment must displace the least senior regular employee in the desired battalion.

- G. Notwithstanding the foregoing transfer procedure, District management shall have the exclusive right to reassign employees on a temporary or permanent basis, whichever is appropriate, (1) to resolve issues of employee incompatibility, (2) on a temporary basis in instances of sub-standard job performance so as to provide an opportunity for the employee to be evaluated independently or receive additional training, (3) to balance staffing needs throughout the District on a temporary basis because of a disproportionate number of vacancies within a battalion/shift and (4) to cause the most qualified person to occupy a particular assignment which requires specialized knowledge, skills or abilities, such as the Hazardous Materials Team or the Urban Search and Rescue Team, where there are no qualified volunteers for the assignment. Whenever possible, the reassigned employee shall be moved to a vacant position or a position that is occupied by an individual who has submitted a transfer request for the position that would be vacated by the reassigned employee. If no such position is then available, every effort will be made to move the reassigned employee to a position, which another employee has voluntarily agreed to vacate in order to accomplish the reassignment. If there are no vacant positions or volunteers, as described above, the reassigned employee will displace the least senior person in his/her classification at a different location within the same battalion unless there is an issue of incompatibility which is so serious that the employee needs to be reassigned to a different battalion, in which case the reassigned employee will displace the least senior person in his/her classification outside of the battalion.
- H. The transfer procedure described above shall not be applicable when filling either staff assignments or specialty operation assignments for which employees are volunteering. In those situations, each individual who has volunteered for the position or

assignment shall be entitled to be interviewed by the appointing authority and each employee not selected shall be afforded the same information and opportunities as that provided to eligible candidates for promotions who have been "passed over" as described in Section 1204.

Sec. 2208 ALTERNATIVE TRANSPORTATION & PARKING: At the discretion of the Fire Chief, employees assigned to work at headquarters may be required to utilize alternative forms of transportation to come to work and/or to pay for parking at District facilities.

ARTICLE 23
LAYOFF PROCEDURES

Sec. 2301 PURPOSE: To provide a means by which employees are to be demoted or laid off in the event a reduction in force occurs.

Sec. 2302 LAYOFF PROCEDURE: Employees shall be laid off in the following order within the affected classification(s)/rank(s):

- A. Extra-help employees
- B. Provisional employees
- C. Limited term employees
- D. Regular employees

Sec. 2303 DETERMINING LENGTH OF SENIORITY: Seniority is established by using the following criteria in the order listed:

- A. Classification/rank of personnel: The seniority list is compiled to show seniority by classification/rank.
- B. Tenure at present class/rank: Tenure shall begin on the date a person is promoted to a classification/rank and shall encompass the probationary period and any time served in a higher classification/rank; except that the time worked as temporary or acting in the classification/rank will not be considered when establishing seniority. (Except as mentioned in Section 517(B) of this Agreement as relates to salary and probation hours needed adjustment upon temporary promotion.)
- C. Seniority: Effective July 1, 2009, if two or more employees are promoted on the same day, their respective seniority shall be based upon their respective length of service in their classifications of Firefighter (including Firefighter Trainee) and all higher classifications.
- D. Tenure with the District: Tenure shall begin on the date a person is employed in any regular position with the District and shall encompass the probationary period.
- E. Certified standing: In the event that a tie exists between two (2) or more persons after considering the above criteria, the next consideration will be the person's final examination score on the

certified eligibility list that determined their classification/rank.

F. Judgment of the Fire Chief: Any additional criteria as to seniority shall be at the judgment of the Fire Chief.

1. Employees on authorized leave of absence shall not be considered a break in service for determining length of seniority, except that time not on the job shall be deducted; notwithstanding that military leave of absence, from the District, shall not be deducted from total seniority.

2. When an employee terminates and is re-employed within two (2) years of said employee's termination date, the employee shall retain credit for prior service. When the period of absence exceeds two (2) years, no credit for prior service will be given for the purpose of establishing seniority.

Sec. 2304 ORDER OF LAYOFF: The determination of which employee(s) shall be laid off will be made within the District on a class/rank by class/rank basis. The Appointing Authority shall designate the class(es)/rank(s) to be affected. The order of layoffs shall be consistent with Section 2302 of this procedure, based on the reverse order of seniority.

Upon certification by the department/agency head and approval by the Director-Human Resources and the Association that an employee possesses unique skills, knowledge and abilities required by the Department to meet its public service function, and in consideration of the County's Affirmative Action Plan, said employee shall be exempt from the aforementioned seniority provision.

Sec. 2305 TRANSFER IN LIEU OF DEMOTION: A regular employee who is to be laid off may transfer and/or voluntarily demote and transfer to any vacant position for which they qualify. The provisions of this Agreement shall govern such transfers and/or voluntary demotions and transfers.

Sec. 2306 DEMOTION IN LIEU OF LAYOFF: If a regular employee, who is to be laid off, does not transfer and/or demote and transfer, then such regular employee shall have the right to demote to any class/rank within which that employee previously held status. If that regular employee has not previously held permanent status in the classification/rank to which said employee must demote, then that employee must serve a regular probationary period in that new class/rank. There does not need to be a vacant position within the class/rank for an employee to exercise this right. If, as a result of the exercising of this right, layoffs must occur in the class/rank to which that employee demoted, then such layoff shall be made in accordance with the provisions of this Agreement. (NOTE: All employees demoted involuntarily to a lower classification/rank will be paid

in the lower class/rank in accordance with Section 508 of this Agreement.)
Sec. 2307 REINSTATEMENT:

- A. Employees demoted as a result of this demotion procedure, as outlined above, shall have their names placed on a Classification Reinstatement List, in the order of their seniority, as determined by Section 2303 of this procedure.
- B. Employees within positions represented by the Association will be the first to be offered such vacant positions within the District, unless the individual's name has been removed from the eligible list in accordance with the provisions of Section 716 of the Personnel Rules and Regulations.

Sec. 2308 RE-EMPLOYMENT:

- A. All regular employees and all probationary employees who are laid off as a result of the procedure outlined above, shall have their names placed on a Re-employment list in the order of their seniority, as determined by Section 2303 of this procedure.
- B. Employees within the positions represented by the Association will be the first to be offered such vacant positions, unless the individual's name has been removed in accordance with the provisions of Section 716 of the Personnel Rules and Regulations, prior to an open or promotional recruitment.

Sec. 2309 DURATION OF REINSTATEMENT AND RE-EMPLOYMENT LISTS: The eligibility of individuals on the lists described in Section 716 above shall extend for a period of two (2) years from the date of demotion or layoff, except that eligibles not responding to written notification of an opening within ten (10) calendar days shall have their names removed from the eligible list.

Sec. 2310 RESTORATION OF BENEFITS:

- A. Sick Leave: For laid off employees, sick leave accruals shall remain on the books and be reinstated if such employees are re-appointed. Whenever a person becomes ineligible for re-employment and such person has not been re-employed, then, if at the point of layoff, such person was eligible to receive a sick leave accrual payoff, such person shall be paid for existing sick leave accruals in accordance with Item 12 of the Ventura County Firemen's Association 1976-1978 Memorandum of Understanding.
- B. Seniority: For laid off employees, upon re-employment such employees shall have their seniority status held immediately prior to

layoff reinstated and all time spent on layoff shall be treated as an authorized leave of absence without pay for seniority purposes.

- C. Rate of Pay: Laid off employees who are re-employed or demoted employees who are reinstated to the classification/rank demoted from shall receive a rate of pay equivalent to that which they were receiving immediately prior to layoff or demotion, or the maximum of the pay range of the classification/rank, whichever is less, upon re-employment or reinstatement.
- D. Educational Incentive: For those employees receiving educational incentive payment at the time of layoff, upon re-employment, such employees shall be eligible to receive educational incentive.

Demotion: Employees involuntarily demoted due to reduction in force shall retain their merit increase hours needed; upon being reinstated to the classification/rank they shall be entitled to any merit adjustment they would have received had they not been demoted; said increase shall become effective no sooner than the date of reinstatement to the previously held classification/rank.
- F. Combined Leave Accrual Rates: Laid off employees who are re-employed shall have the combined leave accrual rate they held immediately prior to layoff restored.
- G. Merit Increase Hours Needed for Purposes of Merit Increases: Upon re-employment, a laid off employee's merit increase hours needed shall be adjusted in accordance with the provisions of Section 510 of this agreement.
- H. Retirement Contributions: Upon re-employment, laid off employees shall not be required to re-deposit retirement contributions withdrawn at the time of layoff or subsequently; provided, however, that the employee may elect to re-deposit said funds to the retirement system.

ARTICLE 24
NON-DISCRIMINATION

NON DISCRIMINATION/EQUAL EMPLOYMENT OPPORTUNITY: The provisions of this Agreement shall be applied equally to all employees without unlawful discrimination as to age, sex, race, color, creed, national origin, functional disability, or other non-merit factors.

Association Leave shall be made available to the Association Representatives for purposes of conducting general Union business, attending Association meetings and employee relations conferences offered by colleges, universities, the international association of firefighters, or similar recognized institutions, associations and unions. Allocation of Association leave hours will be at the sole discretion of the VCPFA President.

Sec. 2604 PERMISSION TO PERFORM ASSOCIATION BUSINESS: Association representatives are authorized reasonable time during on-duty hours to

process employee complaints, grievances, and to conduct negotiations with management at the local level. All Association representatives must obtain permission one (1) shift in advance, except that in an emergency they must obtain prior permission to leave their station or work-site for the purpose of any business conducted during on-duty hours. The District shall not unreasonably withhold permission and the representatives will account for their time as requested by management; the Association will, however, safeguard against excessive time. Visitations for general discussions are permissible and shall be conducted during lunch or after 5:00 p.m. Under no circumstances shall a visit interrupt emergency duties, training sessions, fire prevention activities, or other duties not of a routine nature. It is understood that solicitation or membership drives will not be conducted during these visitations.

- B. All appeals arising from examinations, which shall be considered by the Civil Service Commission in accordance with its Rules and Regulations.
- C. Performance review evaluations, which shall be reviewed by the Fire Chief upon request by the employee.

Sec. 2703 INFORMAL COMPLAINT WITH SUPERVISOR - STEP NO. 1:

- A. The grievance shall first be discussed on an informal basis by the aggrieved employee with his immediate supervisor within twenty-one (21) calendar days from the occurrence of the matter on which the complaint is based or within twenty-one (21) calendar days from his knowledge of such occurrence.

- A. Within fourteen (14) calendar days of receipt of the answer from the

immediate supervisor in an informal complaint, an employee shall file a formal written grievance. A grievance shall not be deemed to be properly filed unless it is completed on an official and appropriate form supplied by the department and available at all fire stations. Such written grievance shall:

1. Reasonably and adequately describe the grievance and how the employee was adversely affected;
 2. Set forth the section(s) of the Agreement and/or written policies violated;

- A. A grievance unresolved in the steps enumerated above may be submitted to arbitration by the Association by submitting a letter requesting that the grievance be submitted to arbitration to the County Director-Labor Relations within fourteen (14) calendar days after the Fire Chief renders a decision. Prior to submitting the matter to arbitration, the County Director-Labor Relations (or his designee) may meet with VCPFA in an effort to resolve the grievance. In the event the parties reach an agreement, the grievance shall be considered resolved and binding upon the parties. If there is no such agreement, the matter shall then be submitted to arbitration. The grievance submitted to arbitration shall be limited to the grievance originally filed at the first step except as amended by mutual agreement.
- B. Unless the parties agree otherwise, if they have not agreed to the identity of the Arbitrator within fifteen (15) calendar days following submission of the request for arbitration described in paragraph A above, the County Director-Labor Relations shall immediately request the State Conciliation Service to provide the parties with a list of five (5) potential arbitrators. As soon as practicable following receipt of that list, the parties shall alternately strike names from the list. The party making the first deletion shall be determined by lot. The final remaining name shall be the arbitrator for the grievance.
- C. Costs
 - 1. Costs of the arbitrator shall be borne by the losing party as determined by the arbitrator.
 - 2. Each party shall be responsible for the cost of their own witnesses.
 - 3. The grievant shall be allowed District time for attending the arbitration proceedings.

- D. The arbitrator may interpret the Agreement but shall have no power to alter, amend, change, add to or subtract from any of the terms of this Agreement, but shall determine whether or not there has been a violation of the Agreement in respect to the alleged grievance and shall determine and award the remedy necessary to correct the situation being grieved. The decision and/or award of the arbitrator shall be based solely upon the evidence and arguments presented by the respective parties. The decision and/or award of the arbitrator shall be final and binding upon the County, the District, the Association, and the employee affected, subject to Judicial review.

- E. If either party shall claim before the arbitrator that a particular alleged grievance fails to meet the tests of arbitrability as set forth in this Agreement, the arbitrator shall proceed to decide such issue before hearing the case upon its merits. The arbitrator shall have the authority to determine whether the case will be heard on its merits at the same hearing in which the jurisdictional question is presented. In any case where the arbitrator determines that such grievance fails to meet said test of arbitrability, the arbitrator shall refer the case back to the parties without a decision or recommendation on the merits.

- F. All arbitration proceedings arising under this grievance procedure shall be governed by the provisions of Title 9 of Part 3 of the Code of Civil Procedure of the State of California.

Sec. 2709 WAIVER: Time limits specified in this Article may be waived by mutual written agreement.

Sec. 2710 GRIEVANCE PROCEDURE CHANGES: Alleged violation(s) shall be arbitrated in accordance with the procedures set forth in the Agreement at the time the grievance is filed.

Sec. 2711 NEGOTIATION PROPOSALS: The fact that the District made proposals to alter Article 32 (District Rights) during the negotiations leading to this Agreement, the contents of those proposals and any discussion had with respect thereto shall not be used, cited or referred to in any way during, or in conjunction with, the resolution of any dispute arising under, or requiring the interpretation of, this Agreement, including proceedings before an arbitrator, administrative body, court or judicial or quasi-judicial body.

ARTICLE 28
GRIEVANCE - GENERAL IN CHARACTER

Sec. 2801 PURPOSE: In order to provide effective procedures whereby disagreements between the Association and management concerning the interpretation or application of the provisions of this Agreement affecting the rights of the parties or the working conditions of a significantly large number of represented employees in the Unit may be effectively addressed, the following procedures are agreed upon:

- A. Where the Association has reasons to believe that management is not correctly interpreting or applying the provisions of this Agreement, or existing written policies affecting an employee's wages, hours, terms, and conditions of employment, the Association may request, in writing, that the Fire Chief shall designate the appropriate Deputy Fire Chief or Assistant Fire Chief to make effective recommendations for the resolution of the matter. Such written request shall set forth in detail the specific facts giving rise to the request for the meeting and shall set forth the proposed resolution sought. The request to meet shall be submitted within fourteen (14) calendar days from the occurrence of the matter on which the complaint is based or within fourteen (14) calendar days of knowledge of the occurrence. The VCPFA shall notify the department within forty-eight (48) hours of knowledge of alleged occurrence.

Within fourteen (14) calendar days of receipt of the request for such a meeting, the parties shall meet for the purpose of discussing and attempting to resolve the disagreement.

Within fourteen (14) calendar days from the date of the meeting, the management representative shall respond in writing to the Association's request.

- B. Within fourteen (14) calendar days from the management response, and in the event the matter is not satisfactorily resolved, the Association shall have the right to forward the grievance to the Fire Chief for resolution. The Fire Chief, the Deputy Chief, or the Assistant Chief who has not been involved in the grievance at Step A, above, shall respond to the Association within fourteen (14) calendar days. The Fire Chief may meet with the representatives of the Association's Board of Directors to gather additional information before issuing his written decision. The Fire Chief's written decision shall be issued within fourteen (14) calendar days following the meeting.

- C. Within fourteen (14) calendar days from the Fire Chief's response, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 2701 of this Agreement, the disagreement may be submitted to the County Director-Labor Relations who shall have the authority to attempt to resolve the issue prior to its being submitted to arbitration in accordance with the provisions of Section 2708 of this Agreement.

Sec. 2802 It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 27 of this Agreement. Instead, this Article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Agreement or existing written policies affecting wages, hours, or working conditions of a significantly large number of employees in the Unit, as distinguished from the rights of individual employees, or disagreements that can only be resolved at the Fire Chief's level. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees and otherwise processed through the grievance procedures set forth in Article 27. The Ventura County Director- Labor Relations shall determine whether the grievance is general in character. In the event the Ventura County Director-Labor Relations determines that the grievance does not qualify as a grievance, general in character, the individual(s) so affected shall have twenty-one (21) days from receipt of said determination to proceed in accordance with Article 27 of the current Agreement.

Sec. 2803 For the purpose of this Agreement, the term "significantly large number of employees" shall mean either:

- A. All employees represented by the Unit;
- B. All employees within a classification represented by the bargaining unit; or
- C. All employees, regardless of shift, at a specific work location ordinarily recognized by management as a work unit as opposed to an individual assignment.

Sec. 2804 EXTENSIONS: The time limits set forth herein may be extended by mutual written consent.

Sec. 2805 AUTOMATIC ADVANCEMENT TO THE NEXT HIGHEST STEP: In the event the person to whom the grievance has been submitted at a

particular step, fails to respond within the time allotted, the grievance shall automatically be advanced to the next step.

ARTICLE 29
NO STRIKE/NO LOCKOUT

During the term of this Agreement, no work stoppages, strikes, or slowdowns shall be caused or sanctioned by the Association, and no lockouts shall be made by the District. If this section is violated, the party committing the violation shall lose all rights under this Agreement.

ARTICLE 30
PRODUCTIVITY

For the duration of this Agreement, the Association and District agree to jointly support efforts to increase efficiency, effectiveness, productivity, and economy in all District operations, through improving methods, reducing waste, and in exploring and implementing changes that will contribute to sound, effective, economical District government.

ARTICLE 31
PROVISIONS OF LAW

It is understood and agreed that this Agreement is subject to all current and future applicable Federal, State, and County laws and regulations. If any part or provision of this Agreement is in conflict or inconsistent with such applicable provisions of Federal, State, and County laws, rules, and regulations or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable laws or regulations, and the remainder of this Agreement shall not be affected thereby.

ARTICLE 32
DISTRICT RIGHTS

It is the exclusive right of the District to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reason, classify and re-classify positions, and determine the methods, means, and personnel by which the District's operations are to be conducted.

All employees that change their residence after January 1, 1984 or are hired after January 1, 1984, must reside within a distance of 150 miles from the Ventura County Government Center in Ventura.

Nothing contained in this provision shall be deemed to supersede the provisions of existing or future State law and the ordinances and rules of the County of Ventura, which established the Civil Service System.

ARTICLE 33
OTHER UNDERSTANDINGS

Sec. 3301 PILOT PROGRAM: At his discretion, the Fire Chief may establish a pilot program to evaluate the viability of a service delivery model different from that of a fire engine response team (i.e. a “paramedic squad”). Should the Fire Chief decide to do so, he shall give notice to VCPFA and, upon timely request of VCPFA, the parties shall meet and confer concerning any aspect of implementation and effects of the decision that are within the scope of representation.

Sec. 3302 SUPERVISION OF SWORN PERSONNEL: Non-sworn personnel may supervise sworn personnel in the performance of all duties/functions except during emergency incidents provided, however, non-sworn personnel may not impose discipline greater than a written reprimand upon sworn personnel. The aforementioned emergency incident limitation shall not apply to the Public Information function.

Sec. 3303 RESERVE FIREFIGHTERS: Subsequent to commencement of this agreement, the Reserve Firefighter Program shall be used only to add to the existing workforce. Reserves may be used only in addition to normally assigned, full-time, paid staff.

Sec. 3304 DRUG AND ALCOHOL TESTING: The District and VCPFA agree to implement the Substance Abuse Program detailed in Appendix “A”.

Sec. 3305 The parties agree that training is essential so that employees will maintain qualifications and a high degree of readiness. The parties further agree that if an employee or employees are unable to attend training provided for any required subject, at the request of District management the parties will meet to investigate and remedy the problem.

Sec. 3306 MOVIE FIRE SAFETY OFFICER PROGRAM

Administration – This program will be managed solely by the Association and independent of the District. The District assumes no liability or workers’ compensation responsibility. The Association may administer the Movie Fire Safety Officer Program while on-duty as an activity under the classification of union business. The administration of the Movie Fire Safety Officer Program by the Association shall not interfere with the operations of the District.

The Association will be responsible for ensuring that Movie Fire Safety Officers will be available as stand-bys. The District must notify the Association designee at least twenty-four (24) to thirty-six (36) hours prior to requesting a Movie Fire Safety Officer and will take all necessary steps to incorporate such notice requirements into the Ventura County Permit

Process.

Eligibility - Any current or retired member of the Association, currently or having been employed by the Ventura County Fire Protection District within any of the Firefighter Unit classifications covered by this Agreement, is eligible to act as a Movie Fire Safety Officer.

Uniform - Movie Fire Safety Officers shall wear a uniform while acting as a Movie Fire Safety Officer provided that such uniform is not a Ventura County Fire Protection District uniform.

Duties - The duties and penalty options of a Movie Fire Safety Officer will comport with those recommended in the State Fire Marshal Fire Safety Officer Manual.

Certification and Training - The District will offer its State Fire Marshal Training Program, at a minimum, semi-annually, or on an as-needed basis. This is intended to maintain trained Fire Safety Officers.

Sec 3307

CADRES AND COMMITTEES

Voluntary participation in cadres and/or committees or other voluntary assignments shall be for a stated time period as agreed to under a mutual consent agreement.

The mutual consent agreement must be agreed to by the employee and the program/project supervisor. The agreement shall state term and resignation/termination parameters. Employees so volunteering must complete the assignment to which they volunteered for its prescribed duration unless there exists good cause to excuse such participation, such as illness or injury of either the employee or employee's family or mutual agreement between the project manager and the employee. The District and the employee may at anytime mutually consent to a reduction in the prescribed time commitment.

ARTICLE 34
FULL UNDERSTANDING, MODIFICATION, WAIVER

This Agreement summarizes the full and entire understanding of the parties regarding those matters within the scope of negotiations.

Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein and with respect to any other matters within the scope of negotiations, during the term of this Agreement.

Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, ratified, approved and implemented as provided in Article 3.

The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 35
AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Agreement:

- A. The District's principal authorized agent shall be the County's Assistant County Executive Officer - Human Resources or his duly authorized representative.
- B. The Association's principal authorized agent shall be the President or his duly authorized representative.

ARTICLE 36
VACATION FOR AUXILIARY UNIT EMPLOYEES

Sec. 3601 VACATION USAGE: The District shall be responsible for scheduling the vacation periods of his employees in such a manner as to achieve the most efficient functioning of the department or agency and the District service. The granting of a vacation period less than the employee's annual entitlement is to be discouraged so that the full benefit of the vacation plan can be realized by each employee. The Fire Chief shall determine when vacations will be taken.

Sec. 3602 VACATION ACCRUAL: Regular employees in the Auxiliary Unit shall accrue hours of vacation with pay for each hour of compensation to a maximum of eighty (80) hours per biweekly work period according to the following schedule, commencing with the employee's hire date of during his/her latest period of District employment.

A. Vacation credits are earned as follows:

<u>YEARS OF COMPLETED SERVICE</u>	<u>VACATION CREDIT EARNED PER HOUR</u>	<u>APPROXIMATE DAYS</u>
Less than 10,400 hours (Approximately less than 5 Years)	.05386 hours	14 days/year
10,400 but less than 22,880 hours (Approximately 5 years but less than 11Years)	.07313 hours	19 days/year
22,880 hours (Approximately 11 Years)	.07688 hours	20 days/year
24,960 hours (Approximately 12 Years)	.08075 hours	21 days/year
27,040 hours (Approximately 13 Years)	.08463 hours	22 days/year
29,120 hours (Approximately 14 Years)	.08850 hours	23 days/year
31,200 hours (Approximately 15 Years)	.09225 hours	24 days/year

B. Vacation Credit Accumulation - Vacation credit shall not be accumulated beyond four hundred (400) hours.

Sec. 3603 VACATION REDEMPTION: After 20,800 hours of continuous District and/or County service (approximately ten (10) years), an employee may elect to receive cash in lieu of up to eighty (80) hours of vacation accrual at the current

hourly rate of pay/salary rate. Any such election shall be subject to the following conditions:

- A. Any employee wishing to receive cash in lieu of vacation hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem vacation hours for cash.
- B. After a qualified election is made, employees may request cash-out payments during the calendar year for which the election was made by submitting requests for cash payment in the ordinary payroll process. An employee may make up to two requests per calendar year for cash payment in lieu of a combined annual maximum of eighty (80) hours of vacation accrual. Only vacation hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for vacation hours accrued in a prior calendar year are not allowed.

The Association and County agree that a temporary exception to the above requirement that only vacation hours already accrued in the calendar year for which an election is made may be cashed-out shall apply to employees who submit a notice of intent to retire to the Ventura County Auditor-Controller's office in the calendar year in which the vacation will be cashed-out. As such, if an employee has accrued less vacation in a calendar year than she/he wishes to cash-out at a given time, the employee may cash-out vacation hours carried over from a prior calendar year, if and only if the following conditions are met:

- 1. At the time the employee made an irrevocable election to receive cash in lieu of vacation, the employee submitted a notice of intent to retire in the calendar year in which the vacation will be cashed-out.
 - 2. At the time the employee makes a request for cash-out payments to be paid, the employee submit an irrevocable notice of resignation/retirement on a specified date in the calendar year during which the payment is to be made.
 - 3. This exception will expire January 1, 2018, as to employees who are entitled to Tier I or safety retirement; and will expire December 31, 2020, as to employees entitled to Tier II retirement.
- C. An employee must use eighty (80) hours of accrued vacation during the twelve (12) months immediately preceding a cash-out payment request. For this purpose, "use" shall mean actually taking time off work and being paid vacation pay for such time off. If the employee has not used eighty (80) hours of accrued vacation in the twelve (12) months immediately preceding the cash-out, the County Auditor-Controller shall deduct from

the employee's vacation bank the amount of leave necessary to make the employee eligible for the requested redemption.

If an employee is unable meet the eighty (80) hour usage requirement necessary to cash-out vacation by the end of the election year as a result of the denial of a written request (or requests) to use vacation, the employee's election shall be deemed null and void, no cash-out shall be allowed, and the employee shall not have taxes reported or withheld on the value of the vacation hours that the employee had been eligible to receive. In order to request that an election be deemed null and void, the sum total of both the hours request in the denials and actual vacation hours utilized by the employee in the election year must equal at minimum 80 hours. It is the responsibility of the employee to submit the written denials to the Auditor-Controller's Office at the time the request is made to void the election.

- D. If an employee fails to request payment for the total vacation hours elected for cash-out, the District shall unilaterally cash out the elected vacation hours to the extent that an employee has accrued leave available before December 31 of the calendar year.
- E. Vacation hours used for paid time off will be deducted first from vacation hours accrued in prior calendar years, and last from vacation hours accrued in the current calendar year.
- F. Employees who are eligible for vacation redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem vacation for pay in the subsequent calendar year.
- G. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem vacation hours for cash (or to increase the amount of a previous election) during the calendar year in which the unforeseeable emergency occurs. For these purposes, "unforeseeable emergency" means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee's spouse, or a dependent of the employee, loss of the employee's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant. The amount of such new election (or increase in a prior election) shall be limited to the amount necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee's assets (to the extent that liquidation of the employee's assets would not itself cause severe financial hardship).

Whether an occurrence is an unforeseeable emergency shall be determined by the Auditor-Controller's Office in its sole discretion.

- H. The Human Resources Division and Auditor-Controller's Office shall develop forms and procedures for implementation of this program.
- I. If it is subsequently determined by the Auditor-Controller, the Internal Revenue Service, a court of competent jurisdiction or another governing authority that the leave redemption provisions in place prior to October, 2016 or substantially similar, will not trigger constructive receipt of income from accrued leave, the VCPFA may, at its sole option, compel the District to reopen negotiations in order to restore the leave redemption provisions in place in October 2016 or something substantially similar that will not trigger constructive receipt of income from accrued leave.

Sec. 3604 VACATION PAYOFF ON RETIREMENT OR TERMINATION: Any employee who terminates or is terminated shall be paid for each hour of earned vacation based on the hourly rate of pay/salary rate in effect for such person on the last day actually worked, spent on authorized leave, or spent on authorized time off as compensation for overtime.

Sec. 3605 VACATION BENEFITS FOR LESS THAN FULL-TIME EMPLOYEES: Regular less than full-time employees shall be eligible for vacation benefits and such benefits shall accrue on a pro rata basis. Usage and maximum accruals of said benefits shall be governed by the same rules and regulations applicable to regular, full-time employees.

Sec. 3606 RATE OF PAY WHILE ON VACATION: While on vacation, employees shall be compensated at the same hourly rate of pay/salary rate they would have received if they had been on the job.

ARTICLE 37

To be entitled to pay for such paid holidays, an employee must be entitled to full compensation for his regularly scheduled shift both the day before and the day after such paid holiday.

Sec. 3702 PAID ASSIGNED HOLIDAYS:

If a paid assigned holiday falls on a Sunday, the following Monday shall be the holiday in lieu of the day observed. For those employees regularly scheduled to work Saturday and/or Sunday, the paid assigned holiday shall be the day on which the holiday actually occurs.

A. In addition to the holidays listed above, effective January 1st of each year, each regular, full-time employee covered under the terms of this Agreement shall be granted floating holiday leave hours equivalent to the employee's standard daily work schedule. For employees on 9/80 schedules, such holiday leave shall be equivalent to the work schedule for the day of the holiday. If an employee works a variable schedule, then hours shall be granted based on an average daily work schedule. Hours granted under this section shall in no case exceed twelve (12) hours. Such leave with pay may be taken, subject to management approval, no later than March 1 of the year following the year in which it was granted. Leave granted pursuant to this provision shall have no cash value beyond that provided herein and shall be lost without benefit of compensation if not taken by March 1 as described above.

B. Regular less than full-time employees shall be granted the leave

provided under (A) above on a pro rata basis.

- C. In no instance will an employee be allowed to split his/her annual allowance of floating holiday leave hours over multiple days.

Sec. 3703 HOLIDAY PAY: If a holiday falls within a biweekly pay period in which an employee is compensated, then such employee shall be given leave with pay for each holiday occurring within the biweekly pay period. Such pay shall be equivalent to that paid for the hours in the employee's standard daily work schedule. For employees on a 9/80 work schedule, such holiday pay shall be equivalent to the work schedule for the day of the holiday. If an employee works a variable schedule, then hours shall be granted based on an average daily work schedule. Hours granted under this section shall in no case exceed 12 hours. Holidays for less than full-time employees shall be pro-rated based upon the total number of hours regularly worked.

Sec. 3704 WORK ON HOLIDAYS: Regular full-time and regular less than full-time employees eligible for overtime who are required to work on a paid assigned holiday shall be paid in cash at one and one-half their regular rate of pay for hours actually worked between the hours of 12:01 a.m. and 12:00 midnight of the holiday, in addition to receiving straight time payment for said holidays. Such straight time pay shall not exceed the number of hours usually scheduled on that day, and shall in no case exceed twelve (12) hours.

Any such employee whose regularly scheduled day off falls on a paid assigned holiday, shall be credited with vacation leave hours equivalent to the employee's standard daily work schedule, but credit shall in no case exceed twelve (12) hours.

ARTICLE 38
SICK LEAVE FOR AUXILIARY UNIT EMPLOYEES

Sec. 3801 SICK LEAVE ACCRUAL RATES: Regular Auxiliary Unit employees shall accrue 0.0385 hours of sick leave with pay for each hour of compensation to a maximum of 3.08 hours per pay period.

Sec. 3802 MAXIMUM SICK LEAVE ACCRUAL: The maximum allowable sick leave accrual shall be eight hundred (800) hours except for the following conditions:

Sec. 3803 ADVANCED SICK LEAVE CREDIT: New regular, full-time employees shall receive an advanced sick leave credit of 40.04 hours (approximately thirteen (13) biweekly pay periods) as of the date of hire. Said sick leave credit advancement shall be balanced upon completion of 1,040 hours of compensable service or upon earlier separation.

Sec. 3804 APPROPRIATE USES OF SICK LEAVE: Subject to the limitations expressed below, sick leave may be applied to:

- A. Absence caused by illness or injury of an employee.

- C. Maternity leave as provided in these Articles.
- D. Unless authorized by the Director-Human Resources, a maximum of forty-one (41) hours of accumulated sick leave credits shall be allowed to an employee within any calendar year for absence from duty because of serious illness or injury of members of his immediate family. For the purposes of this Section, "immediate family" shall mean the husband, wife, parent, brother, sister, child, grandchild, grandparent, mother-in-law, father-in-law of employee.
- E. Sick leave shall not be used in lieu of vacation, nor shall it be used in addition to vacation without certification of a physician that such usage is medically required.

F. If otherwise eligible, sick leave, annual leave, vacation, or compensatory time may be used in conjunction with State Disability Insurance in order to receive an amount equal to the biweekly rate of pay the employee would have otherwise received had he actually worked his normal schedule.

Sec. 3805 DISTRICT RESPONSIBILITY FOR ADMINISTRATION: The Fire Chief shall be responsible for control and use of sick leave privileges. Employees utilizing sick leave may be required to furnish a certificate issued by a licensed physician or nurse, or other satisfactory evidence of illness. Employees required to produce such evidence for illness of less than three (3) days shall be notified of this requirement in advance. Any person absent from work on sick leave shall notify the Fire Chief or designee on the first day of such leave and as often thereafter as directed by the Fire Chief or designee. Any employee absent for a period of seven (7) consecutive calendar days due to illness or accident may, at the discretion of the Fire Chief or the Director-Human Resources, be required to take a physical examination before returning to active duty. Such physical examination shall be performed by a physician designated by the Director-Human Resources and shall be at District expense.

Sec. 3807 CANCELLATION OF SICK LEAVE ON TERMINATION: Termination of the continuous service of an employee, except by reason of layoff, shall result in cancellation of all sick leave accrued by him at the time of such termination irrespective of whether or not such a person is subsequently employed by the District.

Sec. 3808 COMPENSATION FOR UNUSED SICK LEAVE UPON TERMINATION OR RETIREMENT:

A. All employees with 20,800 hours (approximately ten (10) ten years) or more of continuous County and/or District service shall upon retirement or termination, except discharge for cause, receive a payment of one hundred percent (100%) of their unused sick leave balance.

B. The amount of all payment prescribed by this Section shall be computed on the basis of the hourly rate equivalent of the employee's base hourly rate of pay on the last day worked.

Sec. 3809 RATE OF PAY WHILE ON SICK LEAVE: Sick leave is compensable at the hourly rate of pay earnable by the employee on each day that he is on sick leave.

Sec. 3810 USE OF SICK LEAVE WHEN PERMANENTLY INCAPACITATED: Sick leave shall not be used to continue the hourly rate of pay of any employee after it has been determined by the County's Employee Health Services Physician that such employee is permanently incapacitated for a return to District employment and is eligible for retirement. Sick leave may not be utilized by such employee after such determination has been made in conformance with Section 4850 of the California Labor Code and/or County Retirement Board.

Sec. 3811 USE OF SICK LEAVE FOR MATERNITY: An employee may elect to use accumulated sick leave during periods of inability to perform work due to pregnancy. Such sick leave usage shall only be allowed during the period in which a physician certifies that the employee is not able to perform the job. Sick leave time used for maternity shall not be counted as part of the one year available for maternity leave without pay.

Sec. 3812 SICK LEAVE BENEFITS FOR LESS THAN FULL-TIME EMPLOYEES: Regular less than full-time employees shall receive sick leave benefits on a pro-rata basis. Usage and maximum accruals of the sick leave benefits shall be governed by these Articles.

APPENDIX A

VENTURA COUNTY FIRE PROTECTION DISTRICT

SUBSTANCE ABUSE PROGRAM

I. Covered Employees

All employees filling positions in the Ventura County Fire Protection District (VCFPD) represented by the Ventura County Professional Firefighters Association (VCPFA), and applicants for such positions.

II. Controlled Substances

Controlled substances shall be defined as marijuana, cocaine, opiates, amphetamines and phencyclidine. Covered employees are required to inform their supervisor of any therapeutic drug use.

III. Prohibited Conduct

Covered employees may not be under the influence or in possession of controlled substances or alcohol during any work hours. Covered employees are prohibited from:

- A. Reporting for duty or remaining on duty while having an alcohol concentration level of 0.04% or greater;
- B. Performing job-related functions within four (4) hours of using alcohol;
- C. Being on duty while in possession of alcohol;
- D. Using alcohol while on duty;
- E. Reporting for duty or remaining on duty when the employee used any controlled substances, except if the use is pursuant to the instructions of a physician who has advised the employee that the substance does not adversely affect the employee's ability to safely perform job functions.
- F. Reporting for duty or remaining on duty if the employee tests positive for controlled substances; or
- G. Refusing to submit to any alcohol or controlled substances test required by this policy. A covered employee who refuses to submit to a required drug/alcohol test will be treated in the same manner as an employee who tested 0.04% or greater on an alcohol test or tested positively on a controlled substances test.

In addition, to the above prohibitions, employees are reminded of their obligations under the Federal Drug-Free Work Place Act of 1988. All employees covered by this policy have previously been provided with a copy of the County's

Drug-Free Work Place Statement, and have signed an acknowledgement that they have read the statement and agreed to comply with it.

IV. Circumstances Under Which Drug and Alcohol Testing Will Be Imposed On Covered Employees

A. Pre-employment Testing:

All applicants (whether by initial application or in connection with a transfer) for positions represented by VCPFA will be required to submit to a pre-employment/pre-duty drug and alcohol testing. Applicants will not be hired for or transferred to a VCPFA represented position if they do not pass the test.

B. Post-accident Testing:

Post-accident drug and alcohol testing will be conducted on employees following an accident where the employee's performance cannot be discounted as a contributing factor.

The decision as to whether or not to test the employee will be left to a supervisory or management employee. The presumption is for testing. The only reason an employee will not be tested following an accident is if a determination is made that the employee's performance could not have been a contributing factor. If a fatality occurs, the employee will be tested irrespective of whether his/her involvement may be discounted.

Post-accident alcohol tests shall be administered within two (2) hours following an accident, and no test may be administered after eight (8) hours. A post-accident drug test shall be conducted within thirty-two (32) hours following the accident.

According to this policy, an accident occurs when, as a result of an occurrence involving a District vehicle, an individual dies or sustains an injury requiring medical attention, or when a state or local law enforcement authority issues a citation to a covered employee for a moving violation arising from an accident; or when property damage exceeds \$5,000.

C. Random Testing:

Unless otherwise mandated by the Department of Transportation, employees represented by the Association will not be subject to random alcohol and drug testing. In the event the Department of Transportation includes these employees in mandatory random testing, the provisions of the Substance Abuse Program (Appendix A) of the 1995-1996 Memorandum of Agreement relating to random testing become effective immediately.

D. Reasonable Suspicion Testing:

Covered employees are also required to submit to an alcohol or drug test when a trained supervisor has reasonable suspicion to believe the employee is under the influence of alcohol or controlled substances.

1. Reasonable suspicion means suspicion based upon specific personal observation of two supervisors, unless only one supervisor is practically available. Approval to test must also be granted by the Assistant Duty Chief (who may serve as the second supervisor referenced above). The observing supervisors shall describe and document:
 - a. Specific, personal and articulable observations concerning the appearance, behavior, speech, body odors or performance of the employee; or
 - b. Violation of a safety rule or other unsafe work incident which, after further investigation of the employee's behavior or appearance, leads the supervisor(s) to believe that drug or alcohol use may be a contributing factor; or
 - c. Other physical, circumstantial or contemporaneous indicators of drug or alcohol use.
2. Suspicion is not reasonable, and thus not a basis for testing, if it is based solely on the observations and reports of third parties or violation of a safety rule or other unsafe work incident. However, such suspicion may be a basis for further investigation or for action to protect the safety of employees or the public, such as ordering the employee to stop work. Employees shall be removed from the performance of emergency job functions while the supervisor is completing his/her determination regarding whether a reasonable suspicion test is warranted.

3. When a supervisor suspects that an employee is impaired or affected by drug or alcohol use, the supervisor shall follow the reasonable suspicion procedure to determine whether a drug and/or alcohol test is appropriate and, if so, to initiate the testing.

The supervisor shall advise the employee of his or her right to have a Union representative present prior to testing, if a representative is available within a reasonable time (within one hour); will order the employee to stop work; will order the employee to submit to a urine, and/or breath test to determine the presence of drugs or alcohol; will note indicators of probable alcohol misuse and use of controlled substances.

E. Return to Duty/Follow-up Testing:

A covered employee who has violated any of the prohibitions of this policy must submit to a return-to-duty test before he/she may be returned to a active duty. The test result must indicate an alcohol concentration of less than 0.02% or a verified negative result on a controlled substances test. In addition, because studies have shown that the relapse rate is highest during the first year of recovery, the employee will be subjected to follow-up testing which is separate from the random testing obligation. The employee will be subjected to at least six (6) unannounced drug/alcohol tests, but no more than eight (8), unless recommended by the Substance Abuse Professional (SAP)¹ during the first year back following the violation.

V. **Procedures to be Used for Detection of Drugs and Alcohol**

A. Alcohol Testing:

Alcohol testing will be conducted by using an evidential breath testing device (EBT) approved by the National Highway Traffic Safety Administration.

¹Substance Abuse Professional - licensed physician (Medical Doctor or Doctor of Osteopathy), or a licensed or certified psychologist, social worker, employee assistance professional, or addiction counselor (certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission) with knowledge of and clinical experience in the diagnosis and treatment of alcohol and controlled substances-related disorders.

A screening test will be conducted first. If the result is an alcohol concentration level of less than 0.02%, the test is considered a negative test. If the alcohol concentration level is 0.02% or more, a second confirmation test will be conducted.

B. Drug Testing:

Drug testing will be conducted pursuant to the procedures set forth in Exhibit 1.

VI. **Refusal to Submit to an Alcohol and/or Drug Test**

As set forth above, a covered employee who refuses to submit to any required drug/alcohol testing will be treated in the same manner as an employee who tested positive.

The refusal to submit to an alcohol or controlled substances test required by this policy includes, but is not limited to, the following:

- A. A refusal to provide a urine sample;
- B. An inability to provide a urine sample without valid medical explanation;
- C. A refusal to complete and sign the drug/alcohol testing form or otherwise to fail to cooperate with the testing process in a way that prevents the completion of the test;
- D. Inability to provide breath or to provide an adequate amount of breath without a valid medical explanation;
- E. Tampering with or attempting to adulterate the urine specimen or collection procedure;
- F. Not reporting to the collection site in the time allotted by the supervisor or manager who directs the employee to be tested;
- G. Leaving the scene of an accident without authorization from a supervisor or manager (who shall make a determination whether to send the employee for a post-accident drug and/or alcohol test) unless the employee has a valid reason for not obtaining such authorization, such as to receive medical treatment if required for injuries, or to attempt to notify medical authorities for treatment of other injured persons if no other means are available; or

- H. Consuming alcohol during the eight (8) hours immediately following an accident as defined in Section IV (B), unless the employee has been informed that his/her actions have been discounted as a contributing factor, or if the employee has been tested.

VII. Consequences for Employees Found to Have Alcohol Concentration Levels of 0.02% or Greater But Less Than 0.04%

An employee whose alcohol test indicates an alcohol concentration level equal to or greater than 0.02% but less than 0.04%, will be removed from duties at no loss in pay for at least eight (8) hours. Such employee shall be mandatorily referred to the County Employee Assistance Program. However, no disciplinary investigation shall be initiated solely on the basis of this result. Before the employee may be returned to his/her position, the employee's alcohol concentration must indicate a concentration below 0.02%.

VIII. Consequences of Failing an Alcohol and/or Drug Test

A positive result from a drug or alcohol test may result in disciplinary action, up to and including termination, in accordance with the County's existing disciplinary rules and procedures. Examples that, when combined with a positive drug or alcohol test, will merit strong consideration for termination include extreme circumstances such as: consumption of alcohol while on duty; ingestion of drugs or other controlled substances while on duty; sale of drugs while on duty; criminal activities associated with drugs or controlled substances. In addition to the above, the failure of a drug/alcohol test (excluding first time failure of a random test) may be used, in conjunction with other job performance indicators for a determination of appropriate discipline up to and including termination.

- A. Specifically, if an employee tests positive during a random screening, a reasonable suspicion test, or post-accident test:
 - 1. The employee will be assigned to a non-emergency position, and suffer no pay loss, unless disciplinary action is proposed pursuant to Section IX, below.
 - 2. The employee shall be required to submit to a Substance Abuse Professional (SAP) through the County's Employee Assistance Program (EAP). The SAP will evaluate the employee and make a specific determination of appropriate treatment.
 - a. Treatment will be on the employee's own time, however, if treatment requires the employee to use regular work-time the employee will be able to use the following types of

leaves to the extent that leave time is available for this purpose: sick leave, compensatory time, shift trades and vacation.

- b. Treatment cost will be borne by the employee, who will be allowed to use medical insurance plan to the extent that it covers the cost.
 3. The employee will be required to provide a release which enables the District to communicate with the Substance Abuse Professional.
 4. The employee may be placed in a medically supervised rehabilitation program, which may include full in-patient hospital, residential care, day treatment or out-patient care, provided by a County-approved rehabilitation facility.
 5. If the rehabilitation program provider certifies that the employee has successfully completed the rehabilitation program, and specified terms and conditions of an after-care program, the employee will be required to sign a Return-To-Duty or "Last Chance" agreement acknowledging that he or she will abide by those terms and conditions.
 6. The Return-To-Duty agreement will stipulate that the employee will be subject to announced and unannounced drug and alcohol tests, the frequency and duration of which will be determined by the Substance Abuse Professional (however, a maximum of eight (8) tests will be given during the first year), unless more are specifically recommended by the SAP.
 7. If recommended by the Substance Abuse Professional, the employee will be permitted to return to emergency duty during the after-care or during any other out-patient program, provided the employee tested negative for drugs and alcohol in a Return-To-Duty test.
 8. The employee must successfully adhere to the terms and conditions of the rehabilitation and after-care programs. If the employee violates the terms and conditions of the rehabilitation or after-care program, the employee will be subject to termination.
- B. If an employee voluntarily requests assistance prior to selection by the District for any testing:

1. On a one-time only basis, an employee who voluntarily admits a drug and/or alcohol problem and requests assistance from the County's EAP prior to selection for testing will be assigned to a non-emergency position, and suffer no loss of pay.
2. A "Last Chance" or "Return to Duty" agreement will not be required of this employee.
3. This employee will be required to submit to an evaluation by a Substance Abuse Professional for determination of the most appropriate treatment and referral to the selected rehabilitation program. If recommended by the SAP the employee will be permitted to return to active duty during the after-care or any other out-patient program, provided the employee tested negative for drugs and alcohol in a Return-to-Duty test. Rehabilitation will be paid for by the employee. The employee will be on a non-pay status during any absence for evaluation or treatment, but is entitled to use accrued vacation time, compensatory time, sick leave and shift trades, as well as County-provided insurance benefits, while participating in the rehabilitation and after-care program.
 - a. An employee who has exhausted paid leave will be placed on paid administrative leave up to a maximum of 171 hours.
 - b. The employee is required to provide a release which enables the District to communicate with the Substance Abuse Professional.

IX. Disciplinary Action:

The District may take appropriate disciplinary action, subject to all prescribed appeal rights, against any employee who violates any rule listed in Section III of this Policy, "Prohibited Conduct" (excluding first time failure of a random test).

X. Training

All employees of the District shall receive three (3) hours of training regarding the effects of alcohol and controlled substances and available methods of intervention.

XI. Right of Union Participation

At any time, the Union, upon request, will have the right to inspect and observe any aspect of the drug testing program with the exception of individual test results. The Union may inspect individual test results if the release of this information is authorized by the employee involved.

XII. Union Held Harmless

This Substance Abuse Program is solely initiated at the behest of the County. The Fire District shall be solely liable for any legal obligations and costs arising out of the provisions and/or application of this collective bargaining agreement relating to drug testing. The Union shall be held harmless for the violation of any worker rights arising from the administration of this program.

EXHIBIT 1

- I. All alcohol testing procedures shall conform to the Department of Transportation (DOT) breath alcohol testing procedures as required by 49 C.F.R., 40, including the use of a federally approved Evidential Breath Testing device (EBT) and be conducted by a federally certified Breath Alcohol Technician (BAT).
- II. The DOT breath alcohol testing form shall be completed by the Breath Alcohol Technician and signed by the employee. A copy of this form shall be provided to the employee.
- III. Alcohol testing shall be conducted at a location that affords visual and aural privacy to the employee being tested, sufficient to prevent unauthorized persons from seeing or hearing test results. A mobile collection facility may be used for the testing that meets the requirements of 49 C.F.R., 40. The testing location shall be able to be secured so that unauthorized persons shall not have access to the EBT.
- IV. The BAT shall require the employee to provide positive identification through the use of a photo I.D. card or identification by a supervisor. The BAT shall explain the testing procedure to the employee. The BAT shall instruct the employee to complete the initial screening test. The BAT shall show the employee the result displayed on the EBT and shall record the result. The employee shall initial the log book entry.
- V. If the screening test result is less than 0.02% breath alcohol concentration, the alcohol test shall be declared negative and the employee allowed to leave.
- VI. If the breath alcohol concentration result is 0.02% or greater, the BAT shall commence the procedures for the confirmation test.
- VII. The BAT shall instruct the employee on the procedures for the confirmation test and instruct the employee not to eat, drink or put any object or substance in his or her mouth. After a period of fifteen (15) minutes, the confirmation test shall be conducted.
- VIII. Before the confirmation test is administered for each employee, the BAT shall ensure that the EBT registers 0.00 on an air-blank test.
- IX. The BAT shall transfer all results to the employer in a confidential manner.
- X. Drug Testing Procedures

- A. The collection site shall have all necessary personnel, materials, equipment, facilities and supervision to provide for the collection, security, temporary storage, and shipping or transportation of urine specimens to a NIDA certified drug testing laboratory.
- B. Security procedures shall provide for the collection site to be secure at all times. The collection site shall have an area designated solely to drug testing and the portion of the facility used for testing shall be secure at all times.
- C. Chain of custody. Chain of custody standardized forms shall be properly executed by authorized collection site personnel upon receipt of specimens. Handling and transportation of urine specimens from one authorized individual or place to another shall always be accomplished through chain of custody procedures. Every effort shall be made to minimize the number of persons handling specimens.
- D. Access to authorized personnel only. No unauthorized personnel shall be permitted in any part of the designated collection site where specimens are collected or stored.
- E. Privacy. Procedures for collecting urine specimens shall allow individual privacy unless there is reason to believe a particular individual may alter or substitute the specimen to be provided.
- F. Integrity in identity of specimen. The collection site shall take precautions to ensure that a urine specimen shall not be adulterated or diluted during the collection procedure and that information on the urine bottle and on the chain of custody form can identify the individual from whom the specimen was collected. The following minimum precautions shall be taken to ensure that unadulterated specimens are obtained and correctly identified:
 - 1. To deter the dilution of the specimens at the collection site, toilet bluing agents shall be placed in toilet tanks so the reservoir of water in the toilet bowl always remains blue. There shall be no source of water (e.g., no shower or sink) in the enclosure where urination occurs.
 - 2. When an individual arrives at the collection site, collection site persons shall request the individual to present photo identification. If the individual does not have proper photo identification, the collection site person shall contact the supervisor of the individual who can positively identify the individual. If the individual's identity

cannot be established, the collection site person shall not proceed with the collection.

3. Collection site personnel shall ask the individual to sign and complete a consent and release form. (The supervisor must witness the signature for all current employees.)
4. If the individual fails to arrive at the collection site at the assigned time, the collection site person shall contact the appropriate authority to advise them of the no-show status.
5. The collection site person shall ask the individual to remove any unnecessary outer garments, such as a coat or jacket, that might conceal items or substances that could be used to tamper with or adulterate the individual's urine specimen. The collection site person shall ensure that all personal belongings such as purse or briefcase remain with the clothes and that these items are secured. The individual may retain his or her wallet.
6. The individual shall be instructed to wash and dry his or her hands prior to urination.
7. After washing the hands, the individual shall remain in the presence of the collection site person and shall not have access to any water fountain, faucet, soap dispense, cleansing agent or any other materials which could be used to adulterate the specimen.
8. The collection site person shall provide the individual with a collection container.
9. The individual shall provide his/her specimen in the privacy of a stall or otherwise partitioned area that allows for individual privacy.
10. The collection site person shall note any unusual behavior or appearance on the chain of custody form, as it relates to the collection process only.
11. Upon receiving the specimen from the individual, the collection site person is to transfer the urine from the collection container to the specimen bottles in the presence of the employee.
12. The collection site person shall determine that it contains at least sixty (60) milliliters of urine. If there is less than sixty (60) milliliters of urine in the container, the collection site person shall provide the

individual with a reasonable amount of water to drink until a new specimen can be obtained. The first specimen shall be discarded. If the individual is still unable to provide a complete specimen, the following rules apply:

- a. In the case of a post-accident test or test for reasonable suspicion, the employee shall remain at the collection site and be given eight (8) ounces of water every thirty minutes until they are able to provide a complete sample or until the expiration of a period of up to eight (8) hours from the beginning of the collection procedure.
 - b. In the case of a pre-employment test, the employer may elect to proceed as in above-paragraph "A" or may elect to discontinue the collection, or conduct a subsequent collection at a later time.
 - c. If the employee cannot provide a complete sample within the up to eight (8) hour period, or at the subsequent collection, as applicable, then the supervisor of the employee shall notify the Medical Review Officer (MRO)² immediately of the situation. The Medical Review Officer shall refer the individual for a medical evaluation to develop pertinent information concerning whether the individual's inability to provide a specimen is genuine or constitutes a refusal to provide a specimen. Upon completion of the examination, the Medical Review Officer (MRO) shall report his or her conclusions to the County in writing.
13. After the specimen has been provided and submitted to the collection site person, the individual shall be allowed to wash his or her hands.
 14. The collection site person shall measure the temperature of the specimen. The temperature measuring device must accurately reflect the temperature of the specimen and not contaminate the

²Medical Review Officer (MRO) - A licensed physician (Medical Doctor or Doctor of Osteopathy) responsible for receiving laboratory results generated by an employer's drug testing program who has knowledge of substance abuse disorders and has appropriate medical training to interpret and evaluate an individual's confirmed positive test result together with his or her medical history and any other relevant biomedical information.

specimen. The time from urination to temperature measurement is critical and in no case shall exceed four (4) minutes.

15. If the temperature of the specimen is outside the range of 90° to 100 ° Fahrenheit, that is a reason to believe that the individual may have altered or substituted the specimen and another specimen shall be collected under the direct observation of a same gender collection site person and both specimens shall be forwarded to the laboratory for testing. An individual may have his or her temperature taken to provide evidence to counter the reason to believe the individual may have altered or substituted the specimen caused by the specimen's temperature falling outside the prescribed range.
16. Immediately after the specimen is collected, the collection site person shall also inspect the specimen to determine its color and look for any signs of contaminants. Any unusual findings shall be noted on the chain of custody form.
17. When there is reason to believe that a particular individual has altered or substituted the specimen, a second specimen shall be obtained as soon as possible under the direct observation of a same gender collection site person.
18. All specimens suspected of being adulterated shall be forwarded to the laboratory for testing.
19. Both the individual being tested and the collection site person shall keep the specimen in view at all times prior to its being sealed and labeled.
20. The collection site person shall complete the chain of custody form and the labeling and securing of each specimen container and prepare the specimens for shipment to the laboratory.
21. The urine specimen and the chain of custody form are ready for shipment. If the specimen is not immediately prepared for shipment, it shall be appropriately safeguarded during temporary storage.
22. The specimen bottles will be protected with a tamper-proof seal which covers the cap and down the sides of each specimen bottle.

23. Both the collection site person and the employee being tested shall confirm that the numbers on the tamper-proof seals and the numbers on the chain of custody form match prior to the specimen bottles being placed in storage for transportation.
- G. The urine specimen which has been split into two specimen containers are labeled as primary and split-specimen. Both bottles are to be sent to the lab.
- H. If the urinalysis of the primary specimen tests positive for the presence of illegal, controlled substances, the employee has seventy-two (72) hours to request that the split-specimen be analyzed by a different certified lab.
- I. The urine sample will be tested for the following drugs: marijuana, cocaine, opiates, amphetamines and phencyclidine. The initial screening test will be conducted using a testing methodology such as the "Enzyme Multiplied Immunoassay" or similar technique.
- J. If the initial test is positive, a confirmation test will be performed using gas chromatography/mass spectrometry analysis. A drug test will be considered positive only if the confirmation test is above the levels listed in 49 C.F.R., 40.
- K. The screening of all samples will be conducted by a County designated laboratory certified by the National Institute on Drug Abuse (NIDA).
- L. All drug test results will be reviewed and interpreted by a physician before they are reported to the employee and then to the County; and
- M. With all positive drug tests, the physician (a.k.a. Medical Review Officer) will first contact the employee to determine if there is an alternative medical explanation for the positive test result. If documentation is provided and the MRO determines that there was a legitimate medical use for the use of the drug, the test result shall be reported to the County as negative.
- N. Program records. All drug testing information relating to an individual employee is strictly confidential. All records relating to the program shall be maintained as directed by the Fire chief.
- O. The random drug screening program shall be considered an administrative matter, and the results of this test shall not be used in any criminal action. However, if additional information is available through other means to support criminal action against an employee, the Department shall not be precluded from taking further action.

VENTURA COUNTY FIRE PROTECTION DISTRICT

SHIFT TRADE POLICY

ADMINISTRATIVE POLICY

11202
(01-20-04)

SHIFT TRADES

- 11202.1 Purpose:
To describe the procedure whereby personnel may trade assigned shifts and ensure a system of maintaining staffing levels and continuity in District programs.
- 11202.2 Scope:
This policy applies to all line assigned personnel desiring to initiate or participate in a shift trade.
- 11202.3 Definitions:
- 11202.3.1** Limited Trade:
A limited trade is one in which an employee may trade shifts thirty-eight (38) times in any one calendar year without special justification but subject to the limitations of this policy.
- 11202.3.2** Shift Trade Against the Roster:
A shift trade involving a single party and the vacation roster. The individual requesting the trade picks a vacancy from the vacation roster and works that day as if it were a regularly assigned shift. Adding the traded shift to the vacation roster as a new vacancy then completes the trade. In addition to projected vacation openings, vacancies caused by no individual assigned to the position are available to shift trade against.
- 11202.3.3 Shift Trades for Paramedic School Sponsorship:
Shift trades for paramedic school are unlimited.
- 11202.3.4** Daisy Chain Shift Trades:
A shift trade into an opening created by another member's shift trade off. This type of shift trade is not permitted.
- 11202.3.5** Time Frames for Shift Trades:
The time frame for repaying personal shift trades or taking a shift trade roster day off will be within the same calendar year, plus the first pay period of the following calendar year.

- 11202.3.6** Vacation Roster:
The vacation roster is defined as the annual combined leave vacation picks, and any new combined leave openings added throughout the year.
- 11202.3.7 Protected Shift Trades
A Protected Shift Trade is a shift trade-off that provides exemption from mandate as described in AP 11306.7. Protected Shift Trades includes both Personal Shift Trades and Shift Trades against the roster. A maximum of ten (10) Protected Shift Trades may be taken each calendar year. Protected Shift Trades must be requested at the time the shift trade is submitted.
- 11202.4** Responsibility:
- 11202.4.1** Roster Stations:
Roster stations are responsible to schedule shift trade requests and maintain records as required by this policy.
- 11202.5** Procedure:
Requests for a shift trade shall be submitted via E-mail between the company officers of the personnel initiating the trade. This is to ensure that both company officers are aware of the request by their employees. This notification also applies for captains to notify their battalion chiefs.
- 11202.6 Both parties to a shift trade must receive approval for the trade from an on-duty company officer. The trade will be approved by the company officer if it meets the following criteria:
- 11202.6.1:**
The shift trade is in excess of eight (8) hours and no more than twenty-four (24) hours. Trading of less than eight (8) hours between two (2) employees may be approved by the immediate supervisor and shall not count as a limited trade. For trades less than eight (8) hours the battalion chief shall be notified immediately, followed by the roster station.
- 11202.6.2:**
Each trade is limited to two (2) personnel of equal rank.
- 11202.6.3:
The second party to the trade, has agreed to the trade.
- 11202.6.4:
The employee is not abusing the intent of shift trades or using it as a method to create an unfair personal advantage.
- 11202.6.5:
Personnel assigned to the HIRT shall be permitted to shift trade with qualified HIRT members only.

- 11202.6.6: Paramedics shall shift trade with paramedics of equal certification levels consistent with their assignment.
- 11202.6.7:** Neither party to the trade has exceeded the maximum of thirty-eight (38) limited trades per calendar year.
- 11202.7 The company officer shall disapprove a shift trade if it interferes with previously scheduled District, battalion or station activities that, in the opinion of the officer, require the participation of the employee. These activities should be scheduled as far in advance as possible. Shift trades shall not interfere with the specialized staffing requirements outlined in *Administrative Policy (AP)* 11301.
- 11202.7.1:** Shift trades for employees off duty due to medical leave of absence are not authorized.
- 11202.7.2:** Daisy chain shift trades personal are not permitted.
- 11202.7.3:** Company assignments associated with shift trades may be changed in order to shorten holdovers, or to meet staffing needs. Employees do not have a particular right to work at the company traded into.
- 11202.8 Following approval by the company officer, the approved shift trade shall be forwarded to the roster station for scheduling.
- 11202.9 Battalion chiefs may restrict shift trades on specific dates for training and other programs. Notification of these restricted dates shall be made to all battalion stations, including the roster stations, as far in advance as practical. Supervisors shall deny requests for shift trades on restricted dates. Personnel requesting a shift trade on restricted dates shall submit a request to the battalion chief with a recommendation for mitigating adverse impact of the time off on District programs.
- 11202.10** An assistant chief shall have the authority to determine the necessity of additional shift trades in excess of thirty-eight (38) shift trades.
- 11202.11 No more than eight (8) shift trades per zone shall be granted for the rank and day requested.
- 11202.12** Individuals shall not assume a shift trade is approved unless it has been approved by the company officer and the employee initiating the shift trade has received confirmation.
- 11202.13 Appeal of a Denial:
An appeal to the denial of a shift trade may be made to the battalion chief, who shall approve, modify, or deny the appeal.
- 11202.14 Once a shift trade has been approved by the company officers and scheduled by the roster station, the trade is considered as part of the affected

employee's normal work schedule. Therefore, the now off-duty employee would be entitled to overtime pay if that employee worked overtime.

11202.15 The cancellation of a scheduled shift trade shall be requested by both parties to their company officers and forwarded to the roster station.

11202.16** Incomplete Personal Shift Trades:
All effort should be made to work the shift trade day on. If an employee is unable to work the shift trade day on, they shall pay back the day using one of the methods listed in the following order:

1. Combined leave
2. Only if combined leave bank is exhausted, leave without pay
